Dear Parents Wednesday 8th September 2021

Promoting Enjoyment & Excellence - Extra-Curricular Activities Autumn Term 2021

We are pleased to announce that a wide range of extra-curricular activities will be made available for the children to participate in this half term. The club programme will begin w/c Monday 20th September 2021 until w/c Monday 11th October 2021 (unless otherwise stated). We are fortunate indeed to have such a dedicated team of staff who are willing to undertake these activities voluntarily, for the benefit of the children. We are grateful to them all for their hard work and continued support. We are truly proud that we are able to offer such a wide variety of clubs from a relatively small number of teaching staff.

I am sure parents will agree that the wide range of options available to the children are indeed very comprehensive for a school of our size. The list, which follows, outlines the activities, which may be undertaken by your child. **Please return all slips to your class teacher rather than the school office by FRIDAY 10TH SEPTEMBER 2021 - this return date is earlier than usual as we are trying to fit in as many sessions as possible this half term. Unfortunately, any slips handed in after this date cannot be considered for a club.**

PLEASE NOTE: Slips must be handed in by no later than 9am on FRIDAY 10TH SEPTEMBER 2021 as this is the day the staff are time-tabled to collate the forms and issue places.

In order to gauge the numbers for each club we would like to request that parents please complete the attached form. This will help us to ascertain if there are any surplus places available, in which case other children will be given the opportunity to attend. Should the club be cancelled you will be informed in writing, text message service or by telephone with as much advance notice as possible. Once your child has committed him or herself to join a club it is imperative that they attend each session. Should a child be unable to attend a club for any particular reason parents are asked to notify in writing, the adult concerned. Children have the option of selecting more than one extra-curricular club, however, parents are asked to note that if there is an over-subscription it may be that children will only be allocated one selection. You will be notified which club(s) your child has been designated to. Please return the attached slip **to your child's class teacher** who will pass them directly to ourselves so that we can notify you as quickly as possible.

Yours sincerely
