Early Years Foundation Stage Curriculum

Early Years Foundation Stage Curriculum

The Early Years Foundation Stage (EYFS) was originally launched in 2008. It is the statutory framework for all early years providers in England but it is held in high regard worldwide. The Statutory Framework for the Early Years Foundation Stage sets the standards that all early years providers must meet. Early years providers in England who provide care and learning for children from birth to the end of reception class must comply with the EYFS Statutory Framework. Ofsted regulate and inspect all early years providers against the safeguarding and welfare requirements and areas of learning to determine how well children are kept safe and healthy. From time to time the EYFS is updated and refreshed, so far this has happened in 2012, 2014, 2017 and 2021!

Class Dojo

- An online learning platform used for your child's Learning Journey and homework.
- It's a two-way information sharing platform.
- Details/ consent are included in your pack. Please return these during the transition sessions.
- You will be emailed your own personal code as an invitation to join.
- Further details will be shared during the meet the teacher meeting.

Reception Baseline Assessment (RBA)

- It is now a statutory requirement that all children in Reception are baselined during the first few orientation weeks in September.
- This takes place 1:1 with a familiar adult.
- The children have a range of tasks to complete, some involving practical resources.
- Each assessment lasts around 20 minutes.
- The results are reported to the DfE and used to inform our planning.

Early Years Foundation Stage Curriculum – 7 Areas of Learning

The 7 areas of learning and development within the EYFS are:

- Communication and language
- Physical development
- Personal, social and emotional development
- Literacy
- Mathematics
- Understanding the world
- Expressive arts and design

We have also designed our own ‘Magnificent Seven’ goals, which will be explained in more detail at our parent workshops!

EYFS Profile

- At the end of the Reception year, children are assessed against each of the 17 Early Learning Goals (ELGs) from the Statutory Framework.
- They are judged as to have 'met' or 'not met' the goal.
- This information is reported to parents and carers.
- This supports for smooth and effective transition into Year 1.
- This is NOT a formal assessment procedure, practitioners use 'best fit' judgements using teacher knowledge of each child.
