

11th October 2018

Dear Parents

As a school, we are always looking to widen the experiences of our children both within the school curriculum and of course through our extra-curricular provision. I am really excited to offer pupils currently in Key Stage 2 the opportunity of learning magic! Phat Magic After-school Club is designed for children who want to know and learn the art of magic from the oldest magic trick to, how to vanish everyday objects to amazing card tricks. Eddie Young has been in to school previously, promoting Magic and Maths and has always proved to be a popular visitor with adults and children alike.

The club is scheduled to cater for a minimum of 10 children but be aware that the capacity for this club is 20. Phat Magic After-school Club will be held each Tuesday evening, starting after half term from 3.30pm – 4.30pm. The dates for this club will be from Tuesday 6th November right the way through until Tuesday 11th December inclusive. The club will run for the duration of 6 weeks and the cost will be £25.00 (this price includes one free session as the individual price is normally £5). This club will be very popular with our children and therefore we will have to operate it on a first come first served basis for fairness to our children. Please can payment be made via cheque for the total of £25.00 and made payable to Eddie Young. **Please return permission slip and payment to the school office by Friday 19th October. Thank you.**

Should you have any questions regarding this club then do not hesitate to ask.

Yours sincerely

Mr R. Cruise
