

Year 4 Homework – 01.10.21

Homework

English

This week in English we have been learning about play scripts where the children have written a play script for *The Lion The Witch and The Wardrobe*. For this week's homework, I would like to give the children to write their own play script! This could be on a book that your child has read recently, a scene of their favourite TV show or a completely new play that they have created.

An example has been provided highlighting the main features of a play script which can be found on the next page.

Times tables

Your child will be given a times table to learn every week. Each child will start with x2. The children will be given 1 minute every Friday to answer the times tables in a test. Please support your child by learning these at home. Each child will get given a practise times table every week in their homework books.

This week my score was _____/12.

Year 4 Multiplication Check

In June 2022, all children in Year 4 will have a multiplication check which will take place in school to test their knowledge of times tables up to 12x12. The pupils will have 25 questions but only six seconds to answer each question, therefore it is very important the children learn each times table thoroughly.

In order to prepare for this, children are learning a times table each week for homework but they also need to recap on old times tables too. Please encourage your child to practise using the link below which is an example of how the test will actually look.

Spellings

This week my score was _____/10

Please learn the spellings provided in your reading diary.

Reading

Please keep reading and make sure you sign your reading diary!

Homework is due to be handed in on a Wednesday.
