

# Shobnall Primary School

Tuesday 27<sup>th</sup> September

Dear parents/carers,

I believe that one of the crucial elements of a successful school is the partnership which it develops between home and school. As a school, we are always researching and developing our methods of home/school liaison and therefore I am writing to you to obtain ideas and feedback from you all regarding our current structure and processes whilst also acting upon the advice which I am sure many of you can offer.

As you are all aware now, we have introduced a new school newsletter which I hope you are all finding very useful but in addition to this, I am hoping to further improve communication and links within the whole school family.

Therefore, if you could find just 5 minutes to complete the questionnaire below, possibly adding comments to support your answers then we would really appreciate it and then look to act upon some of the suggestions that we receive.

Thank you kindly in advance of your time and I very much look forward to receiving your returned questionnaires by Friday 30<sup>th</sup> September please.

Yours sincerely

Mr. R. Cruise  
Headteacher

Question	Response					Comments
	1 = strongly disagree 5 = strongly agree					
1. The school is meeting my requirements in terms of communication.	1	2	3	4	5	
2. I find that the text message service is useful.	1	2	3	4	5
