"Life is like riding a bicycle. To keep your balance, you must keep moving."

Dear Parents/Carers,

Les enfants ont passé un bon moment cette semaine à célébrer la Journée européenne des langues! Or, for those of us not familiar with French, "the children had a great time this week celebrating European Languages Day!" Throughout Europe, 700 million Europeans are represented in the Council of

Europe's 46 member states, and all are encouraged to discover more languages at any age, as part of or alongside their studies. This stems from the Council of Europe's conviction that linguistic diversity is a tool for achieving greater intercultural understanding and a key element in the rich cultural heritage of our continent. Therefore, the Council of Europe, in Strasbourg, promotes plurilingualism in the whole of

Europe. At the Council of Europe's initiative, the European Day of Languages has been celebrated every year since 2001 on **26 September** - together with the European Commission. To find out more about this annual awareness event, click [here](#), and to see how the children engaged with this, please read the 'Shobnall Showcase' at the end of the newsletter.

Next week we will be issuing a letter outlining the arrangements for parent consultations, scheduled for Monday 16 October and Wednesday 18 October 2023, 4.00 – 7.00pm. A link will be sent

to your phone, which you will need to click on to book your appointment/s. Please ensure we have up-to-date numbers for you on our system so that you get your preferred slot/s.

On **Monday 2 October**, the children will be celebrating harvest in our special Harvest Assembly. Father Robin is coming into school to lead the assembly so that we can come together as a school family to talk about harvest and say "Thank You" for the food and clothes that we have. Each year, we like to support a local charity with donations of either money or food to support those children, adults and families who are less fortunate than us. Therefore, please could we ask if you could make a small donation by sending your child in to school on Monday 2 October with a tin or packet of food (non-

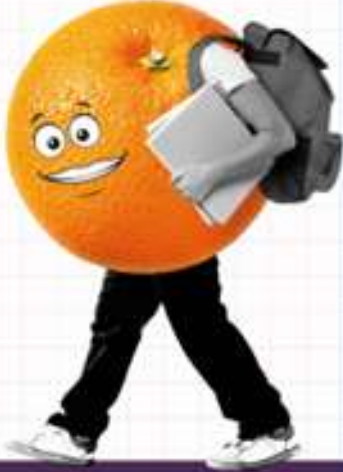

perishable items only). We will once again be supporting the YMCA charity who will come and collect the donations later during that day. Thank you!

We hope that you have a great weekend and, as always, we look forward to seeing you again on Monday! Enjoy!

Themed Lunch Day – Thursday 5 October 2023

If you would like your child to sample our 'Drive Thru' menu on Thursday 5 October, please view the choices below. Remember, there is a chance of finding the 'lucky plate' to win a prize if children have a school dinner on this day! There is no requirement to pre-order a lunch if children don't usually have one, they simply choose their option at registration via their class teacher and lunches are charged through Parent Pay. We hope as many children as possible will try and engage with the theme!

PFA News – Your Disco Needs You!

As you will be aware from last week's newsletter, the first PFA fundraiser will be a **Halloween Disco** on **Friday 13 October 2023**! Fancy dress is optional. The infant disco will be 3.45 – 5.00pm and the junior disco will be 5.15 – 6.30pm. Miss Alexander, Miss Barker, Miss Brewin and some of our parent volunteers have very kindly said that they are more than happy for children who are attending the infant disco to bring in a change of clothes/costume on the day, which they will help them get changed into. This is so that they are ready for the start of the disco at the end of school! Shobnall Stars will be in the Year 2 classroom on that evening.

Tickets will be on sale week commencing **Tuesday 3 October**, every morning and afternoon pick up by the entrance to the key stage 2 playground and will be priced at £3.00 for the disco and £3.50 for the disco, drink, and sweets. There will be a range of other goodies on sale at the discos so children will need to bring a little extra spending money on the night should they wish to purchase anything on offer. Unfortunately, the PFA will not be able to subsidise them if they don't, but water will be readily available if children do not bring spending money.

The PFA are now able to take card payments for tickets, but due to the bank charges, there will be an additional 5p charge for every transaction. We do hope that you are able to support this event!

Year 7 Secondary School Applications

The application window for a September 2023 start at secondary or high school is still open. Parents can apply online at www.staffordshire.gov.uk/admissions. As in previous years, the local authority is no longer providing paper copies of the 'Information to Parents' booklet. Parents are able to access this booklet on their [website](#). Deadline for applications is **31 October 2023**.

Lunchtime Supervisor Vacancy

We are looking for a Lunchtime Supervisor! As a partner academy in JT MAT, we are seeking to appoint an enthusiastic, caring and committed Lunchtime Supervisor to join our evolving organisation.

The successful candidate will:

- Demonstrate high standards of teamwork, collaboration and respect.
- Be flexible, adaptable and dependable.
- Have excellent communication skills with children and staff.
- Be kind, compassionate and caring with our pupils.

If you want to discuss this role, please contact Mr Adams, by emailing shb-office@shb.jtmat.co.uk or telephoning 01283 247410. Completed application forms should be emailed to [shb-](#)

office@shb.jtmat.co.uk. Only fully completed application forms will be submitted for shortlisting. CVs will not be accepted. The closing date for applications is 12 noon on **Friday 13 October 2023**.

500 Words Competition

500 Words, the UK's most successful children's writing competition has now opened for submissions and will run till Friday 10 November.

Since the competition was first launched in 2011 by Chris Evans on the Radio 2 Breakfast Show, it has received over one million stories from children throughout the UK.

This year, the two age categories will be **5-7 year-olds** and **8-11 year-olds**.

Children of all abilities are encouraged to use their creativity and imagination to **write a story they would love to read** without the pressure of having to worry about spelling, punctuation and grammar.

For more information on how to enter, please click [here](#).

The FA's Play Safe Weekend – Saturday 30 September 2023 / Sunday 1 October 2023

This weekend is the FA's Play Safe weekend. English football is promoting their countywide and nationwide campaign to focus attention on the vital importance of safeguarding across the national game.

The campaign focuses on the role that everyone including coaches, parents and carers can play in keeping children safe, in all settings. There is also a [free awareness course for parents and carers](#), and they are asking that clubs and leagues at every level sign the [Play Safe Pledge](#).

Please view the following link for further information [Play Safe Weekend 2023 \(thefa.com\)](https://thefa.com).

Chitty Chitty Bang Bang

A movie poster for 'Chitty Chitty Bang Bang'. It features a red and yellow flying car (Chitty) against a blue sky with clouds. The title 'CHITTY CHITTY BANG BANG' is written in large, bold, red letters. Above the title is 'IAN FLEMING'S'. Below the title is 'at the Brewhouse, Burton upon Trent'. The dates 'Tuesday 28th November to Saturday 2nd December 2023' are listed. Below the dates is 'Book online: www.little-theatre.co.uk' and 'Box Office: 01283 508100'. At the bottom are social media icons for Twitter (@LTC_in_Burton), Facebook (@LittleTheatreCo), and Instagram (@littletheatreco). A QR code is in the bottom right corner. The Little Theatre Co. logo is in the top right corner.

Thea, in Year 3, auditioned for Little Theatre Company's production of 'Chitty Chitty Bang Bang' earlier this year and successfully won the part of Jeremy Potts. There are two teams of children playing the roles across the week, with Thea appearing with Team Lollipop for the Tuesday evening, Thursday evening and Saturday afternoon shows (along with a former pupil, Hettie, who is playing the role of Toby). Tickets are now 80% sold across the week but there are still plenty left for anyone who would like to come along and see this classic show at The Brewhouse Arts Centre, Burton from Tuesday 28th November - Saturday 2nd December.

The Big Ambition

Dame Rachel de Souza, Children's Commissioner for England, has launched 'The Big Ambition.' As we approach the General Election next year, 'The Big Ambition' is designed to enable children's voices and needs to be highlighted to policymakers.

'The Big Ambition' is a survey to hear directly from children, young people, and parents across the country. The Children's Commissioner wants to hear from the widest group of young people as possible, particularly the experiences of children in care. To take part in 'The Big Ambition', please click the link [here](#).

Online Safety Tips

They've helped thousands of people successfully quit smoking; in laboratory tests, they've been found to be up to 95% less harmful than cigarettes; and they've been hailed as "a game changer for public health" by one independent review.

So why exactly are vapes and e-cigarettes still regarded by many experts as controversial and potentially dangerous?

In terms of young people, the issue is availability. Vapes (containing nicotine) aren't supposed to be sold to under 18s: a fact at odds with the rising number of school-age users and the products' colourful packaging and child-friendly flavours.

Our guide summarises what trusted adults need to know about the potential dangers of vaping for young people.

FREE Uniform!

Please don't forget that we have free uniform available! There is a box situated outside the school office for any parents who have items they wish to donate. Please could we ask that these are cleaned and in good condition before placing in the box! Amy Roobottom continues sorting and collating this. As previously stated, if you wish to contact Amy to ask what is available that you might be in need of, please contact the school office via shb-office@shb.jtmat.co.uk and we will ensure this is forwarded to her.

SHOBNALL SHOWCASE!

Let's have a sneaky peek as to what has been going on in our classrooms this week...

Nursery

The children have had another great week in Nursery. They have been busy embarking on their adventures which has been an absolute joy to watch.

They have also joined in with a range of activities linked to our book focus 'What I Like about Me.' They then had a great time exploring natural resources and created self-portraits using an assortment of resources.

We also celebrated European Languages Day and I was extremely impressed with the children's creativity as they made their tissue paper flags.

Reception

Our adventures in reception this week....

It has been a great week learning about lots of different types of families. We shared the story 'My Magic Family,' by Lotte Jeffs and went onto create representations of our own wonderful families. We used paints and thought carefully about the colours we used and added some fantastic details!

We also used pebbles to create our family members, we really enjoyed using the pebbles in creative ways and it was great to see a variety of pebble families!

Later in the week we had a great time using music to show how we were feeling. We tapped to the beat and chanted along to 'I've got a grumpy face!' It was very funny

to see so many grumpy faces!

We then listened to a piece of music named 'Mars' from The Planets and discussed how it made us feel. We also moved in different ways to express our emotions in response to the music.

"It makes me toasty!" (Adam)

"I am happy and excited!" (Harriet)

"It's a bit scary because it makes me jump!" (Kadeem)

"It makes me feel happy and floaty!" (Ava.T)

Year 1

Year 1 have had a wonderful week planning their own version of The Gingerbread Man Story. The children are so excited about writing their own story next week. In maths, the children have been looking at fewer and more groups of items. They have really impressed Miss Barker with how knowledgeable they are with numbers to 10. In the afternoon we have been celebrating World Languages Day and learned all about Italy. We tasted lots of Italian food as well as creating flags, writing postcards, finding Italy on a map and building different Italian monuments. We also started our Art lessons, where the children created an all about me section in their sketchbooks. Well done Year 1.

Year 2

Year 2 have had a brilliant week writing their own stories inspired by Chicken Licken. They have been able to focus on different parts of the story each day to build it together. In maths we have been focusing on partitioning numbers within 100. The children have used lots of practical resources to support their learning. They have also

been placing numbers on a number line within 100. In topic this week the children have been learning about the Great Fire of London and have continued this learning within Forest School. Well done Year 2 on a great week of learning!

Year 3

Year 3 have had a great week! They have enjoyed their French topic, learning different greetings. They are becoming so confident in speaking and writing in French! In English we are so proud of the folk tales they have written! They have been so imaginative and tried their best throughout the writing of the plan, draft, edits and final piece. In Maths we have started a new unit of addition and subtraction. A fantastic week all round!

Year 4

We have had another really productive week this week in Year 4! In English, the children have been writing their stories to recount the story of Queen Boudicca and the Iceni tribe and I have been so impressed with how well the children have been including all the key techniques and vocabulary within their work. In maths, the children have been working on estimating between a number and have shown real resilience when rounding numbers this week. Elsewhere in the curriculum, the children have been inventing their own switches in Science, which they have really enjoyed! They had to think carefully to select an item that was a conductor of electricity and think practically how that item would fit into a

circuit. Finally, the children were treated to a karate masterclass on Thursday afternoon, which they thoroughly enjoyed! A fantastic week year 4, keep it up!

Year 5

As ever, Year 5 have had a busy week! In English, the children have been drafting and editing their diary entries about the Apollo 11 Moon Landing, writing from a variety of perspectives, such as an American Citizen, Buzz Aldrin, NASA Control Centre and Fred Hayes. We can't wait to read their finished products next week. In Maths, Year 5 have completed their second unit of learning on place value and are now moving onto addition and subtraction. In Science this week, the children were investigating the hardness of materials. Year 5 made predictions about which material they thought would be the hardest, and then tested their theories. In History, the children learnt about the Tudor Family Tree and the escapades of King Henry VIII. They couldn't believe the reasons behind King Henry VIII beheading and divorcing his wives!

Year 6

This week in Year 6 the children have been very busy. A broad range of learning has taken place. At the start of the week, to celebrate European Day of Languages, we had a taster session of Spanish where we were introduced to a new friend to help us. Bob, the puppet, began the lesson with a lovely conversation in Spanish with Miss Lord. He then helped us with greetings and how to say our name. Bob remained with us for the rest of the week, and he really enjoyed helping all of us with the rest of our learning. In History, we continued with WW2 and looked at the concept of propaganda and how it influenced people. Science was fun where we investigated how shadows can change. We finished the week with PSHE where we looked at Maslow's hierarchy of needs.

The Vanquishers

by Kalynn Bayron

In the world of the Vanquishers, vampires were history ... until now.

Malika "Boog" Wilson and her best friends have grown up idolising The Vanquishers, a group of heroic vampire hunters who wiped out the last horde of the undead decades ago. Nowadays, most people don't take even the most basic vampire precautions - the days of garlic wreaths and early curfews are long gone - but Boog's parents still follow the old rules, much to her embarrassment.

When a friend goes missing, Boog isn't sure what to think. Could it be the school counsellor, Mr Rupert, who definitely seems to be hiding something? Or could it be something more dangerous?

Boog is determined to save her friend, but is she ready to admit vampires might not be vanquished after all?

No one ever expected the Vanquishers to return, but if their town needs protection from the undead, Boog knows who to call ...
