

9<sup>th</sup> March 2021

Dear Parents/Carers,

How wonderful it is to have all the children back in school! As we expected, they have adapted amazingly well already and have not forgotten the rules, procedures and safety measures they have to adhere to at this time. It has been lovely catching up with all of you too, albeit from a distance, and I would like to express my thanks for your support with following our guidance when dropping off and collecting your children. Please note the information on our most recent newsletter with regards to the roadworks on Shobnall Road and please keep checking the [Covid-19 Info](#) page for updates related to schools and the pandemic.

A few bits of 'housekeeping' for your attention now that we are a full school once again...

### **RED NOSE DAY – 19 MARCH 2021**

Red Nose Day is back on Friday 19 March and this year it's never felt more important to have some fun and raise money to support people living incredibly tough lives! We will be having a non-uniform day and would like the children to include 'a flash of red' to their clothing! The children are allowed to bring in their red noses but mustn't share them with others. In order to come in non-uniform, we are asking for a voluntary donation of between 50p and £1 and have set up a school donations page at: <https://app.parentpay.com/ParentPayShop/Foc/Default.aspx?shopid=2113>

### **HOMWORK**

Even though remote learning has finished, we would like to continue using SeeSaw so please keep a note of your log-ins! One way in which we will be utilising this resource moving forward is for homework. Teachers will be using a 'blended model' and will be setting activities via SeeSaw and/or the homework book, dependent on the nature of the task. An overview will still be uploaded to the class pages on the school website so instructions will be clear and easy to follow.

### **SNACKS**

Due to staffing in the kitchen and current protective measures, we are unable to sell break time snacks at this time. We hope to resume break sales after Easter but in the meantime, children are allowed to bring in their own snack as a substitute. This must be a healthy snack, i.e. a piece of fruit and avoidant of nuts due to allergies in school.

Warmest wishes and kind regards,

Mr D. Adams  
Head Teacher
