Dear Parents,

Excel Music Schools Ltd are pleased to announce that they will be extending the music provision that is currently available at Shobnall Primary School.

As you are probably aware, children already have the opportunity to learn to play the electronic keyboard during the school day and we are hoping to encourage more children to consider taking part in lessons at school.

We will be offering lessons on a range of instruments including Electronic Keyboard, Woodwind & Brass. Later, we hope to offer guitar and drum tuition.

The cost for a music lesson for each instrument is £27-00 per half term and each lesson lasts for 20 minutes. This is based on an average half term length of 6 weeks although some may be slightly longer or shorter than this. An Electronic Keyboard will be available for use in school. All other instruments, for hygiene reasons will have to be purchased or hired. Rentals schemes for all instruments are also available. Information on rentals is available from Excel Music Schools directly. Your total commitment will only ever be the current term. However, should your child not wish to continue lessons then this must be confirmed to us by a parent in writing. Please note that keyboard lessons are available to children in year 1 & above but all other instruments are from year 3 upwards. Children will also have the opportunity to take exams offered by ABRSM, LCM and TCL when they reach a certain standard. Please note that children are taught in groups of 4 or less depending on age and experience.

If you would like to start having lessons on any of the musical instruments listed please fill in the pro-forma below and return with full payment to us by Friday 21st October 2016 at the very latest. **Please note that lessons will commence after the October half term break.**

Yours sincerely,

Stephen Mansfield - Director of Excel Music Schools Ltd.
