Please complete
homework by
Wednesday 12th June
2024.

This week in Nursery we have begun our latest topic called 'Our Heroes' and have focussed on fictional characters. The children have immersed themselves in imaginative play with each other, dressing up, making their own props to go with their costumes and reenacting their own stories. We learnt a simple song called 'Superheroes in the Sky' and tapped out the beat using our hands and percussion instruments. It was great fun!

For home learning this week, I would like you to make your very own superhero using a toilet roll or a kitchen roll? Whilst creating your own superhero, discuss with your child what special superpowers they have and what will they name their superhero. Be as creative as you can, using any media that you have available. Could you please bring your completed superheroes into Nursery so that the children can share their work with the class.

Many thanks,

Mrs Lukman
