Please complete
homework by
Wednesday 3rd July
2024.

This week in Nursery we have been focussing on initial letter sounds and the children have enjoyed recognising their initial letter and thinking of objects that have the same sound as their initial letter.

To continue this theme, I would like your child to go on a sound scavenger hunt to support them in focussing on initial letter sounds.

With your child, say the sound they need to focus on and see how many objects they can find around the house or in the outdoors with the corresponding letter sound.

I have attached a scavenger hunt sheet on the next page for you to complete.

Happy hunting!

Many thanks,

Mrs Lukman
