

Friday 22<sup>nd</sup> September 2023

Please complete  
homework by  
Wednesday 27<sup>th</sup>  
September

Next week in nursery the children will be encouraged to look carefully around them and 'notice' what they see. We will also be creating self-portraits using a range of natural resources as part of our book focus 'What I like about me.' In preparation for creating our 'natural faces' and for some of our 'noticing activities' we would like the children to bring into Nursery a bag of interesting natural resources that they have collected from the great outdoors. They may find a stone with a nice pattern on it, leaves they like the colour or shape of, conkers, acorns or anything else that your child has found of interest to them.

Have a great noticing weekend.

Many thanks,

Mrs Lukman
