

Friday 22nd March 2024

Please complete
homework by
Wednesday 10th April
2024.

After the Easter break, the Nursery children will be taking part in lots of adventures to mark the celebration of Eid al Fitr.

For home learning this week, I would like the children to design and create an Eid decoration. This could be completed by painting, drawing, junk modelling, collaging etc. There are some ideas attached below for you too.

Be as creative as you can, using any media that you have available. Could you please bring your completed Eid decorations into Nursery so that we are able to hang the decorations in the Nursery provision.

Have a lovely Easter break.

Many thanks,

Mrs Lukman
