# homework

Throughout our setting we encourage a love of reading through sharing books in numerous ways. In reception this includes our story snug, story time, weekly focus books, themed days and activities linked to stories.

I would like the children to choose one of their favourite stories and find an unusual place to share it. This could be at the park on a swing, sitting on the car, under a table, at soft play etc.

I would like the children to bring their favourite book into school. Please upload their photograph via Evidence Me and make comments about why it is their favourite book.

I can't wait to see where you are caught with your book!

Many thanks and have a great weekend!  
Miss Alexander
