# homework

Please complete  
by:

Wednesday 6<sup>th</sup>  
December

As part of their maths learning this week the children have been exploring circles and triangles.

To reinforce this, I would like your child to complete a piece of art inspired by the artist Wassily Kandinsky. Please encourage your child to use the circles and triangles (brought home today) to create a picture or pattern on the bordered page. Encourage them to discuss the shapes, how do they know what they are? Can they describe differences?

As always please make comments and add photographs about your child's engagement with the activity via Evidence Me. Please return finished pieces of work to school by Wednesday 6<sup>th</sup> December 2023.

Many thanks,

Miss Alexander
