homework

Please
complete by:
Wednesday
29th
November

This week the children have been learning to recognise one more and one less.

I would like the children to continue practicing this practically by using different objects such as blocks, socks, toys, fruit etc

Please encourage your child to use the following vocabulary when discussing the activity.

One more, next, altogether, less, after, one less, before, back.

There are _____

There is _____ altogether.

_____ is 1 more than _____

_____ is 1 less than _____

Possible questions:

How many?

How many now?

What is 1 more than?

What is the number after?

What is one less than?

What is the number before?

As always please make comments and add photographs about your child's engagement with the activity via Evidence Me.

Many thanks,

Miss Alexander
