homework

Homework
Due:

Wednesday
17th July

I can hardly believe we are approaching the final week of the academic year! It has been a magnificent year in reception with lots of learning adventures, smiles, laughs and numerous, wonderful memories made!

For this weeks homework I would like you to encourage your child to reflect and discuss their year in reception. Please support your child in completing their favourite memories of school sheet brought home today. This could include pictures, labels and sentences.

Please return the memories activity by Wednesday 17th July. Please also send comments or photos via Class Dojo- messages.

Many thanks and have a wonderful weekend,
Miss Alexander
