

10<sup>th</sup> September 2018

Dear Parents and Carers,

A very warm welcome back to school and I hope that you have all had a fabulous break. This is our new format for our curriculum letter which is designed to inform you about what your child will be learning about during the Autumn Term.

This term our topic is: **"Frozen"**

Please ensure your child has a school book bag, so that they can bring their reading book and reading diary to school each day. They will also have a peg for their coat and PE kit. As space in the cloakroom is limited, we would be grateful if P.E. kits could be kept in a small drawstring bag which fits onto the peg. Please ensure your child has a water bottle with them every day.

#### **P.E.**

P.E. days are as follows: Tuesday and Friday. Please ensure that ALL your child's belongings are clearly labelled with their name. Children often misplace items and it is very difficult to find them if they are not labelled. Can I remind you that earrings should not be worn for P.E, however you can provide children with tape to cover them.

#### **Homework**

For homework, we ask that the children read for at least 10 minutes every night, and talk about the books they are reading as this will support enjoyment, fluency and understanding. There will be a piece of English or Maths homework set every Friday and collected by the teacher the following Wednesday.

May I take this opportunity to remind you that if you have any questions or queries please do not hesitate to speak to myself, thank you for your continued support,  
Yours sincerely

Miss A Martin-Mills  
Year 1 Class Teacher

**International  
School Award**

*"Happy children. inspired learners"*
