

Shobnall Primary School

02/05/17

Dear Parents and Carers,

A very warm welcome back to school and I hope that you have all had a fabulous break. This is our new format for our curriculum letter which is designed to inform you about what your child will be learning about during the Summer Term.

This term our topic is:

The Great Fire of London

We will be learning about The Great Fire of London. If any of the parents/adults are knowledgeable about this or indeed any subject we happen to be learning about this year, please do come in and inform Mr. Gordon. We are always looking for visitors to come in and help bring the learning to life.

Please ensure your child has a school book bag, so that they can bring their reading book and reading diary to school each day. They will also have a peg for their coat and PE kit. As space in the cloakroom is limited, we would be grateful if P.E. kits could be kept in a small drawstring bag which fits onto the peg. Please ensure your child has a water bottle with them every day but please can I remind you that we encourage water rather than squash or flavoured water.

P.E. days are as follows: Monday and Tuesday

Please ensure that ALL your child's belongings are clearly labelled with their name. Children often misplace items and it is very difficult to find them if they are not labelled.

Homework

For homework, we ask that the children read for at least 10 minutes every night, and talk about the books they are reading as this will support enjoyment, fluency and understanding. There will be a piece of English and Maths homework set every Friday and collected by the teacher the following Wednesday.

May I take this opportunity to remind you that if you have any questions or queries please do not hesitate to speak to myself, thank you for your continued support,

Yours sincerely

Mr Gordon

Year 2 class teacher

Design and Technology

- ◆ Creating wooden houses in the same style as the houses during The Great Fire of London.

P.E

- ◆ Games; sending and receiving.
- ◆ Gym; travelling, balancing and making shapes.
