## Year 4 Homework - 22.09.23

## Homework

## Maths

This week in maths, the children have been looking at more or less $1,000,100,10$ or 1 . Please see the worksheets attached for the children to complete. Mild (Q 1-6), Hot (Q 1-7) and Flamin' (Q1-8).

## Times tables

Your child will be given a times table to learn every week. Each child will start with x 2 .
The children will be given 1 minute every Friday to answer the times tables in a test. Please support your child by learning these at home.

This week my score was $\qquad$ /12.

## Year 4 Multiplication Check

In June 2024, all children in Year 4 will have a multiplication check which will take place in school to test their knowledge of times tables up to $12 \times 12$. The pupils will have 25 questions but only six seconds to answer each question, therefore it is very important the children learn each times table thoroughly.
In order to prepare for this, children are learning a times table each week for homework but they also need to recap on old times tables too. Please encourage your child to practise using the link below which is an example of how the test will actually look.
