

Year 4 Homework – 23.05.24

Homework

Class assembly

For their homework over half term I would like the children to learn their lines for the class assembly. The children have got their scripts and the lyrics to the songs. The children's multiplication check window opens ON THE FIRST MONDAY BACK! Therefore, it is imperative that the children are practising their timetables over half term.

Year 4 Multiplication Check

In June 2024, all children in Year 4 will have a multiplication check which will take place in school to test their knowledge of times tables up to 12x12. The pupils will have 25 questions but only six seconds to answer each question, therefore it is very important the children learn each times table thoroughly.

In order to prepare for this, children are learning a times table each week for homework but they also need to recap on old times tables too. Please encourage your child to practise using the link below which is an example of how the test will actually look.

Spellings

This week my score was _____/10

Please learn the spellings provided in your reading diary.

Reading

Reading diaries are currently on their way and are due to be delivered to school at the end of the month so we will pass these onto the children when we receive them. In the meantime, please keep reading as normal. Thank you!

Homework is due to be handed in on a **Wednesday**.
