

Homework

Friday 26th January 2024

Please complete the following:

As SATs are approaching, I have provided you with lots of different revision activities, so you are fully prepared for May. These are for you to complete in your own time however, there will always be a **main homework** activity for you to complete which will be identified on the homework plan below.

English	<p><u>Reading</u> Read at home on at least three separate occasions and record in your reading diary. These must be handed in daily to be signed.</p> <p><u>Spellings</u> Practise your spellings. These will be uploaded on Spelling shed too. You will have a test on Friday.</p>
Mathematics	
Other	<p>I have assigned you some new practice questions on the following websites for you to have a go at. Please login in using your own login details and you will see the live test, just like I showed you in class. Maths.co.uk and Spag.com</p> <p><u>Revision Websites:</u> https://www.bbc.co.uk/bitesize/subjects/zv48q6f/year/zncsscw https://trockstars.com/ https://myminimaths.co.uk/year-6-mini-maths/ https://mathsframe.co.uk/</p> <p><u>Main Homework</u> Please see the business subject excellence competition attached. The Business JTMAT Primary & Secondary competition is to design a safe and environmentally friendly HGV for Hawkins Logistics who have partnered with us for this opportunity.</p>

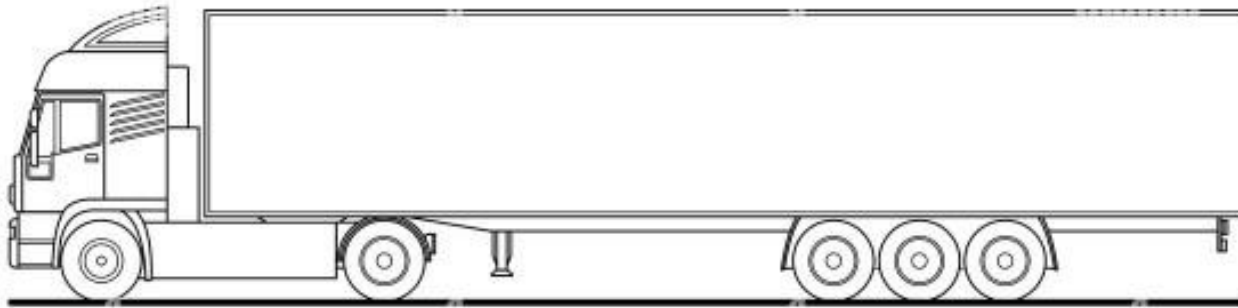

Please make sure your homework is handed in by Monday 5th February 2024 (week after Laches Wood).

As this is when the deadline for the competition is due in. You will therefore have two weekends to complete it.

If you need any further guidance on how to complete the tasks, please ask!

Remember, have a go and try your best!

Template for Primary

What makes your HGV (lorry) environmentally friendly?

What makes your HGV (lorry) safer for other road users?

JTMAT Business Competition

Success Criteria - Primary

Please make sure that your entry has the following on it:

- ✓ A picture of your HGV (lorry) – the design on it is important, how will you show customers that it is environmentally friendly through this?
- ✓ Label what makes your lorry good for the environment
- ✓ Label what makes your HGV (lorry) safer for other road users to prevent accidents
- ✓ Write an explanation of how your HGV (lorry) is environmentally friendly
- ✓ Write an explanation of how your HGV (lorry) is safer for other road users

Entries can be paper based or digitally produced.
