

Welcome to Nursery!

Mrs Curran

Hello Nursery children!

Here is a little fact sheet all about me.

I look forward to meeting you in September and finding out what your interests are.

My favourite meal is a Sunday dinner, which I love with apple sauce. Like Mrs Farrington, my favourite pudding is rhubarb and custard!

My birthday is 23rd December, which I love because it's always in the Christmas holidays and everyone is so happy!

My favourite colour is jade.

I have two children called Holly and Connor who are 25 year old. They are twins!

I love reading books, but save it for when I'm on holiday as I can't put it down!

I love watching films. Thrillers are my favourite!

My favourite animal is an elephant. They are so gentle and graceful.

My favourite thing to do is to go on walks with my husband and my dog Reggie.
