

## **Sports Premium Report for Shobnall Primary School** **September 2019 – September 2020**

### **Sports Premium Report**

Shobnall Primary School appreciates the contribution of PE to the health and well-being of its children. We also acknowledge that a broad, balanced, high quality curriculum, the development of healthy, active lifestyles and extra-curricular activities have a positive impact on concentration, attitude and achievement.

The whole team is committed to ensuring that all pupils receive a minimum of 2 hours of PE per week, delivered by well-trained and enthusiastic teachers. The Sport Premium funding allows us to develop a sustainable improvement in teacher confidence and a curriculum based on developing children's physical literacy skills.

Please note that 7/12 of funding allocation (September 2019 to March 2020) is received from the Secretary of State on 1<sup>st</sup> November 2019 = £10,453  
Please note that 5/12 of the remaining funding allocation (April 2020 to August 2020) is received from the Secretary of State on 1<sup>st</sup> May 2020 = £7,467

### **What is the Sports Premium?**

The government is providing funding in excess of £415 million per annum provide substantial primary school sport funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary schools to spend on improving the quality of sport and PE for all their children. This money can only be spent on sport and PE provision in schools to encourage the development of healthy, active lifestyles.

### **Monitoring and Evaluation**

- This report will be updated at the end of each academic year to identify the success of the above initiatives and the impact that they have had.
- Delivery will be monitored by the PE Subject Leader in the first instance. This will be overseen and managed at senior level by the Headteacher and Deputy Headteacher.
- Monitoring will include observations of teaching, drop-ins to clubs run by school staff, volunteers and outside agencies to ensure that provision is of high quality.
