2. Project/s & Fundraising Ideas

Potential projects were discussed for focus of fundraising next year. Existing funds may be able to get projects started. D. Adams to communicate plans for projects on the school newsletter:

- KS1 & KS2 Trim Trails/Jungle Gym: Outdoor equipment can be sourced to support wellbeing through physical activity. Children can design own trim trails, which could be a focus for School Council next year. KS1 Trim Trail is in desperate need of replacing and KS2 Trim Trail/Jungle Gym could be situated by the entrance to the field. D. Adams to price up potential options to be added to fundraising barometer for focus of fundraising.
- Sensory Garden: To promote wellbeing and further enhance and support nurture provision in school. This could be a great project for parents/community to get involved in as part of pandemic recovery.
- Vegetable Garden: To promote environmental sustainability and wellbeing. This could be a great project for parents/community to get involved in as part of pandemic recovery and ongoing extra-curricular provision for children.
