SHOBNALL STARS

BREAKFAST AND AFTER SCHOOL CARE

WELCOME

At Shobnall Primary School, our motto is '**Happy Children, Inspired Learners**'.

We value our community and always strive to meet all the needs of our families.

Our wrap around childcare service consists of both a Breakfast and an After School Club held within a safe and secure environment and offering a wide range of planned, age related activities based on the children's interests. We also ensure that our activities are designed to enhance the learning journey for your children through child centred, purposeful play and fun.

Wrap around care provision will be **term time** only.

This booklet is designed to give you an insight into all aspects of Shobnall Stars but, should you have any queries, please do not hesitate to contact us.

All information regarding our policies and procedures is available on the Shobnall Stars section of our school website.

We look forward to welcoming your child/children to this exciting venture in our school.

Yours sincerely

OUR OFFER

Breakfast Club

Our **breakfast club** runs from 7.30am to 8.45am, Monday to Friday.

The club is fully supervised by our staff, providing a safe and fun start to the day. Our club includes activities such as games, reading, “Wake Up, Shake Up” to name but a few.

There is a choice of breakfast cereals, toast and preserves and also a selection of fruit daily. Drinks are available for your child. Breakfast is at an additional cost (see pricing list).

After School Club

Our **after school club** runs from 3.30pm to 6pm, Monday to Friday. Once again the club is fully supervised where the children are encouraged to have fun and learn through play-based activities, indoor and outdoor. In summer, we recommend children bring sunhats and sun cream for hot weather and in winter, warm clothing.

Those children who are attending any of our extra-curricular clubs can be taken to their chosen clubs or go independently if they are mature enough and if they are attending Shobnall Stars after their club, we will ensure they are collected and are registered to our care after their club finishes.

During Shobnall Stars, the children are free to choose from a selection of both planned and unplanned activities which enhance the provision. Resources are readily available, which include arts and crafts, colouring and drawing, board games, construction, role play, physical play and quiet areas for reading and homework etc.

There are also themed nights based on Christmas, Easter, Mother’s Day, Father’s Day, Forest School Day and the celebrations of other cultures and traditions, where the children can all get creative.

On certain nights, we host a ‘cinema’ night where there will be an option of a DVD; a treat for the children to chill and enjoy a film – maybe even with some homemade popcorn!

At Shobnall, we recognise the importance of healthy eating. Fruit is always available for children to access.

FURTHER INFORMATION

- We will ensure that we obtain ongoing feedback from both yourselves and the children to find out which activities they have enjoyed and which you have found beneficial to their learning journey. The interests of our children are central to our aims.
- We will meet any of your child's individual dietary or specific requirements and preferences where possible. However, if your child would like any alternatives, these can be sent into school on the day and you are, of course, welcome to send your child with their own snack should you prefer.
- If any child has an accident whilst in our care, as parents, you will be informed when you collect your child, or immediately should there be any concerns regarding the injury. We will follow all the policies and procedures in situ for Shobnall Stars.
- All documents and policies are available on the school website. Please keep your eyes on the website for further details and for an insight into what exciting activities we intend to plan for your child/children. Prizes will also be awarded to children when participating in games.
