

Homework

Friday 2nd July 2021

Please complete the following:

Literacy	<p><u>Reading</u></p> <p>Share a story book at home on at least three separate occasions and record in your reading diary. These must be handed in daily to be signed.</p>
Imaginative / Maths activity	<p>This week we have been learning all about creatures that live in the sea and have created lots of different representations of these animals and their habitat.</p> <p>To encourage further creativity, I would like you to imagine that you have found a magic shell at the bottom of the ocean. It will grant you one wish! Draw a picture to show what your wish would be!</p> <p>I have also included a fish counting sheet for you to complete. If you would like to use numbers bigger than 5, you could create your own activity sheet to colour in!</p>

Please make sure your homework is completed by the following

Wednesday 7th July.

Under the Sea Count and Colour

Can you colour 2 fish **red**?

Can you colour 3 fish **purple**?

Can you colour 5 fish **green**?
