Language /  
Understanding the  
World

**Please return homework by Wednesday 10<sup>th</sup> November**

This week in Nursery, the children have listened to the story of Rama and Sita as we celebrated Diwali on Thursday and The Gunpowder Plot, in preparation for Bonfire Night.

The children have been very creative in their learning this week using a variety of media to represent fireworks exploding in the night sky.

Over the weekend, could you discuss your child's experiences of fireworks? What do they like/dislike about them? What colours and shapes did they see? What sounds did they hear? The children could create their own representation of a firework or bonfire picture using whatever resources you have available.

Have a happy and safe Bonfire Night!

Many thanks,

Mrs Farrington
