

I am going to Shobnall Nursery

I can't wait!

Hello! My name is Mrs Farrington and I will be your class teacher when you join our Nursery in September.

You will also meet Miss Alexander, our Reception teacher and Miss Walton who both work in the EYFS.

Miss Alexander

Miss Walton

When you come to nursery in the morning you will wait outside these black gates until a member of staff opens them up and welcomes you in.

This is the door to the Nursery Classroom.

This is the cloakroom where you hang your coat.

These are the toilets that you use. You can go to the toilet whenever you need to.

You place your water bottle on the ‘water bottle’ trolley. At the end of the session, you take it home to get it cleaned and refilled, ready for the next day.

This is our class Reading Area.

Every morning you choose a library book to take home. When you have read it, your grown-up helper will write it in your very own reading diary.

Your book bag and reading diary go in these boxes.

You will be given a special reading certificate each half term, depending on the number of times you read your books at home each week.

When you come into the classroom each morning we need you to self-register. Find your photo and attach it onto our class 5 frames.

We have a wonderful classroom to learn in...

Our underwater mat gives you all a special place to sit when we gather together.

This is our lovely outdoor learning area. You will get to play here every day.

This is our school hall. We use this for P.E. and watching special assemblies and events.

Shobnall Nursery is
lots of fun!
We both live in the
Nursery Class and
we can't wait to
meet you. Look out
for us when you get
here!
See you soon...

Dear Parents and Carers,

At Shobnall Primary School, we want children to enjoy starting nursery and we understand the need to support them with this new experience. Through discussing this booklet with your child regularly, they will gain a much clearer view of what nursery looks like and what they need to do each morning. This will help to minimise any anxieties that they may have. Talking to your child about starting nursery in a positive way will also help them to be confident about it themselves.

Thank you for your support.

The EYFS Team

Transition Booklet for Nursery Pupils.

The End.
