

Year 4 Multiplication Tables Check

Understanding the Year 4 Multiplication Tables Check

At the end of year 4, pupils are assessed on their ability to recall their times tables fluently, which is essential for future success in mathematics. The multiplication tables check (MTC) became statutory for all primary schools in the 2021-2022 academic year. There is no pass mark or expected threshold as the test is merely a tool to help schools identify pupils who have not yet mastered their times tables, so that additional support can be provided.

Shobnall Primary & Nursery School Year 4 Multiplication Tables Check Data 2021-2022
