This week, Miss Walton, Miss Stanesby, Mrs Hoose and I brought family pictures into school to show the children. We talked about who we live with, what they did and our pets, and made comparisons between our families.

Over the weekend, could you please find a photo of your family, including pets so that your child can talk about them to a small group of children. It can be a physical photo or you can upload one onto Evidence me that we can print out at Nursery.

It would be useful beforehand to discuss this with your child so that they can talk about their own photo. If it helps, you could jot some notes down so that we can help prompt them during discussion (name, jobs, ages of brothers/sisters etc).

We would like to create a class 'Family Tree' display with these photos, so that the children can learn to appreciate that all families are different.

Many thanks,

Mrs Lukman
