Please complete  
homework by  
Wednesday 18<sup>th</sup>  
October

This week in Nursery, we have been investigating 'What makes Porridge Yummy' and have been thinking about why Goldilocks particularly enjoyed eating baby bears porridge. We made our own porridge and tried a range of different toppings to have with our porridge and then selected the topping which was our favourite.

To continue this theme, I would like the children to help make their favourite dish with you. Once you have selected the dish you wish to make, could you create a 'Recipe Card' for it, including the ingredients needed for the dish, photographs of you and your child making the dish and comment on the method involved to make the dish.

Please could we ask that the recipe cards are no larger than A4 in size as we would like to use them to form part of a class 'Cook Book' to go into our 'Acting Avenue' station. Please be as creative and colourful as you wish. We hope you enjoy making your dish together. We look forward to your child sharing it at Nursery.

Many thanks,

Mrs Lukman
