This half term we focussing on learning to recognise our colours. We have read lots of stories with colour as a theme. This week we started reading the story of 'Elmer.' The children have had lots of fun sorting the different objects for Mr.Red, Mr.Blue, Mr.Green, Mr.Green and Mr.Purple.

In Elmer's Walk, Elmer takes his time to appreciate the world around him while all the other animals are rushing about. For home learning this week we would like the children to go on a colour hunt, either indoors or outdoors, and record what they find with a photo, drawings or scribed responses. You can also take a walk around your garden and observe all the things around you. What can you see? What can you hear? What can you smell? How do these things make you feel?

Look for things that match each of Elmer's colours and record them in the boxes below.

Many thanks,

Mrs Lukman
