This week the children have been exploring the exciting Hindu festival of Diwali.

To continue this theme I would like the children to design a Rangoli pattern. These are used as part of Diwali celebrations to bring good luck and prosperity.

The children could create their rangoli pattern in a variety of ways including painting, rice, collaging, natural materials, construction etc.

As always please make comments and add photographs about your child's engagement with the activity via Evidence Me.

If possible please also send in the completed rangoli pattern into school.

Many thanks,
Miss Alexander
