# Whole School Procedures for Safeguarding, Incorporating Child Protection

## Shobnall Primary & Nursery School

As a **JTMAT** school, we follow and adhere to the [JTMAT Safeguarding Policy](#) which overarches all Safeguarding and Child Protection procedures. This document details our bespoke procedures for safeguarding and child protection and is available on our school website and on request from the school office. We also inform parents and carers about this document when their children join our school and through our school newsletter.

The policy and this document is provided to all staff (including temporary staff and volunteers) at induction alongside the JTMAT Staff Code of Conduct. In addition, all staff are provided with Part One of the statutory guidance:

[Keeping Children Safe in Education 2023](#)

This document will be reviewed in full by the Local Governing Body on an annual basis. This document was last reviewed and agreed by the Local Governing Body on 1 September 2023. It is due for review on 1 September 2024.

Signature  Headteacher Date: 01.09.23

Signature *Mr G Dennis* Chair of Governors Date: 01.09.23

**The minutes of the Local Governing Body 25 September 2023 clearly demonstrate where this document has been developed with the staffing group using their expertise and knowledge.**

## Key Safeguarding Contacts

Role in School	Name	Date and Level of Safeguarding Training
Headteacher	David Adams	10 December 2021 – Level 4 Designated Lead Multi-Agency Training
Designated Safeguarding Lead (DSL)	David Adams	10 December 2021 – Level 4 Designated Lead Multi-Agency Training
Deputy Designated Safeguarding Lead (DDSL)	Paula Johnston	11 November 2021 – Level 4 Designated Lead Multi-Agency Training
Deputy Designated Safeguarding Lead (DDSL)	Tina Farrington	18 January 2023 – Level 3 Designated Lead Multi-Agency Training
Nominated Governor for Safeguarding	Michelle Bradley	9 September 2021 – Level 1 Safeguarding and Child Protection Training
Chair of Governors	Gary Dennis	9 September 2021 – Level 1 Safeguarding and Child Protection Training
Designated Teacher for Looked After Children	David Adams	10 December 2021 – Level 4 Designated Lead Multi-Agency Training
Senior Mental Health Lead	David Adams	10 December 2021 – Level 4 Designated Lead Multi-Agency Training

**In addition to this, Shobnall Primary & Nursery School's Safeguarding Training Overview provides further detail of relevant staff training, inclusive of Safer Recruitment, PREVENT etc.**

## **1. Purpose and Aims**

The purpose of our safeguarding procedures at **Shobnall Primary & Nursery School** is to ensure that we:

- **Are committed** to developing a robust safeguarding culture of vigilance and challenge.
- **Build resilience** by raising awareness of safeguarding and child protection issues, and equipping children with the language and skills to keep themselves safe.
- **Establish a safe environment** in which children can learn and develop within an ethos of openness and where children are taught to treat each other with respect, to feel safe, to have a voice and know that they will be listened to.
- **Support vulnerable pupils** who have been abused, have witnessed violence towards others or may be vulnerable to abuse.
- **Prevent unsuitable people** from working with children by ensuring we practice safe recruitment in checking the suitability of **all** school staff, supply staff and volunteers to work with our children and maintain an active, ongoing vigilance in line with the safeguarding culture.

**Our aim** is to follow the procedures set out by Staffordshire Safeguarding Children's Board, [Working Together to Safeguard Children 2023](#) and [Keeping Children Safe in Education 2023](#) by **knowing** and **understanding** that:

- Safeguarding and promoting the welfare of children is **everyone's** responsibility and the **voice of the child** is evident.
- **Everyone** who comes into contact with children and their families has a role to play.
- **Everyone** should ensure that their approach is **child-centred** considering, at all times, what is in the **best interests** of the child.
- By establishing a safe environment, we enable our children to learn and develop within an ethos of openness.
- **No single practitioner** can have the full picture of a child's needs and circumstances.
- If children and families are to receive the **right help at the right time**, **everyone** who comes into contact with children and their families has a role to play in identifying concerns, sharing information and taking prompt action.
- The importance of providing children with a balanced curriculum including PHSE, healthy relationship education, online safety, sexting, child-on-child abuse as well as 'abuse outside the home', county Lines, contextualised safeguarding issues, and Child Criminal Exploitation (incl CSE). Also supporting this with online activities, enabling children to enhance their safeguarding skills and knowledge whilst understanding the risks.
- Undertaking the role to enable children and young people at our school to have **best outcomes**.
- Ensuring that as a school we have awareness of our staff's knowledge and understanding, as well as embedding safeguarding through clear systems of

communication and Continuous Professional Development (CPD) so that safeguarding is a **robust element** of our school practice.

At **Shobnall Primary & Nursery School** we strive to: -

- **Protect** children from maltreatment.
- **Prevent** impairment of our children's mental and physical health or development.
- **Ensure** that our children grow up in circumstances consistent with the provisions of safe and effective care.
- **Take action** to enable **ALL** children to have the best outcomes.

This document provides guidance to **all** adults working within the school, whether paid or voluntary or directly employed by the school or a third party and should be read in conjunction with the documents [Keeping Children Safe in Education 2023](#) and [Working Together to Safeguard Children 2023](#).

- This document is available on our school website and is available on request from the school office. We will also inform parents/carers about this document when their children join our school.
- This document will be reviewed in full by the Local Governing Body on an annual basis or sooner should legislation/guidance change.
- This document sets out how the school's local governing body discharges its statutory responsibilities relating to safeguarding and promoting the welfare of children who are pupils at this school. Our document applies to **all** staff; paid and unpaid, working in the school, including Governors.
- The document is provided to **all** staff (including temporary staff, supply staff and volunteers) at the point of induction, alongside the JTMAT Staff Code of Conduct Policy.
- Our Local Governing Body, working with the senior leadership team and especially our Designated Safeguarding Lead (DSL), ensure that those staff who do not work directly with children will read at least Part 1 or Annex A (condensed version of Part 1) of the KCSiE 2023 guidance.
- All staff who work directly with children, are provided with, and have read at least Part One of Keeping Children Safe in Education 2023.
- The school follows the JTMAT and Staffordshire Safeguarding Children's Board [StaffsSCB](#) policies and procedures.

## **2. Our Ethos and Culture at Shobnall Primary & Nursery School**

At Shobnall Primary & Nursery School, we are a child centred school and our children's welfare is of paramount importance to us. Our children are reassured that they have a voice, will be listened to and what they say will be taken seriously. They know that they will be supported and kept safe. They will never be given the impression that they are creating a problem by reporting abuse.

Children are encouraged to talk freely with staff if they are worried or concerned about something and our staff understand that a victim of any type of abuse should

never feel ashamed for making a report. Their views and wishes will inform any assessment and provision for them.

We make every effort to listen to and capture the voice of children to enable us to have a clear understanding of their daily lived experiences.

We are aware that children may not feel ready or know how to tell someone that they are being abused, exploited, or neglected and/or they may not recognise their experiences as harmful. They may feel embarrassed, humiliated or being threatened. This could be due to vulnerability, disability and/or sexual orientation or language barriers. This does not prevent ALL staff from having professional curiosity and speaking to the DSL if they have concerns about a child and our staff determine how best to build trusted relationships with children which facilitate this communication.

We understand our statutory duty to safeguard and promote the welfare of children and we maintain a professional attitude of **'it could happen here'** where safeguarding is concerned. We expect **ALL** staff, governors, volunteers, and visitors to share our commitment, maintaining a safe environment and a culture of vigilance.

Everyone has a responsibility to **act without delay** to protect children by reporting anything that might suggest a child is being abused or neglected. It is our willingness to work safely and challenge inappropriate behaviours, that underpins this commitment. We work in partnership with families and other agencies to improve the outcomes for children who are vulnerable or in need.

We have a culture of vigilance and staff are confident and competent in the timely challenge of unacceptable behaviours and these are dealt with appropriately and robustly. Staff do not accept these behaviours as 'banter' 'having a laugh' or 'part of growing up'.

**All** staff are encouraged to report any concerns that they have and not to see these as insignificant. On occasions, a referral is justified by a single incident, such as an injury or disclosure of abuse. However, concerns can accumulate over time and are evidenced by building a picture of harm, particularly true in cases of abuse or neglect.

We know that it is crucial that our staff record and pass on any concerns in a timely manner and in accordance with this document, to allow the DSL/DDSL to build up a picture and access support at the earliest opportunity.

When dealing with safeguarding matters, we are conscious of the language and terminology that we use, especially in front of children. Sometimes reference is made to a child who has been subjected to abuse as a victim. However, not all children will consider themselves a victim nor will they want to be referred to in this way. We are conscious of this and when managing any incident, we will be prepared to use terminology that children are most comfortable with.

In guidance we will also at times use the term 'alleged perpetrator' and where appropriate 'perpetrator' and we know that these are widely used terms. However,

we know that in some cases the abusive behaviour will have been harmful to the perpetrator as well and again we will be mindful of appropriate language and will decide appropriateness on a case-by-case basis.

We work closely and restoratively with our safeguarding partners with the confidence to challenge decisions and practice if deemed appropriate.

We are committed to working with parents in a positive, open, and transparent way. We ensure that all parents are treated with respect, dignity, and courtesy.

We recognise the stressful and traumatic nature of safeguarding and child protection work and support staff by providing an opportunity to talk through their anxieties with the DSL and to signpost and seek further support as appropriate.

### **3. Legislation, Guidance and Links to Other School Policies and Procedures**

This document has been devised with due regard for the statutory guidance from the DfE [Keeping Children Safe in Education 2023](#) (KCSiE) and this document is read alongside;

- [Working Together to Safeguard Children 2023](#)
- [Staffordshire Safeguarding Children Board Procedures](#)
- [What to do if you are Worried a Child is being Abused-Advice for Practitioners](#)
- [Sexual Violence and Sexual Harassment Between Children in Schools and Colleges](#)
- [Behaviour in Schools - Advice for Headteachers and School Staff](#)
- [Exclusion from Maintained Schools, Academies and Pupil Referral Units in England](#)
- [Behaviour & Discipline](#)
- [Attendance](#)
- [Anti-Bullying](#)
- [Preventing Extremism and Radicalisation](#)
- [Health and Safety, including Wellbeing](#)
- [JTMAT Staff Code of Conduct](#)
- [Whistleblowing](#)
- [Use of Restrictive Physical Intervention](#)
- [Online Safety](#)
- [Social Media Code of Conduct for Parents](#)
- [Approach to the Teaching of PSHE, Relationships and Health Education](#)
- [Child on Child Abuse](#)
- [Early Years Foundation Stage Curriculum and Assessment Approach](#)

### **4. The Role of all Staff in Keeping Children Safe**

All staff have read and have a good understanding of **at least part 1** of [Keeping Children Safe in Education 2023](#) and are aware of the safeguarding link to other policies relating to their daily practice. These include:

- [Behaviour & Discipline](#)
- [Anti-Bullying](#)

- [Preventing Extremism and Radicalisation](#)
- [Health and Safety, including Wellbeing](#)
- [JTMAT Staff Code of Conduct](#)
- [Whistleblowing](#)
- [Use of Restrictive Physical Intervention](#)
- [Online Safety](#)

Staff sign to say that they have read **at least part 1** of [Keeping Children Safe in Education 2023](#), and the DSLs check their understanding of Part 1 by conducting a quiz and regular drop-ins throughout the year.

**All** staff receive appropriate safeguarding and child protection training (including online safety which, amongst other things, includes an understanding of the expectations, applicable roles and responsibilities in relation to filtering and monitoring – see para 142 for further information and [Filtering and Monitoring Standards](#)). This training takes place at induction and on inset training, which is regularly updated. In addition, **all** staff receive safeguarding and child protection (including online safety) updates via staff meetings, staff briefings, emails and relevant external events attended as required, and at least annually, to continue to provide our staff with relevant skills and knowledge to safeguard children effectively.

**All** staff know who the DSL/DDSL is, and as well as being the expert in this field, are there to support staff, volunteers, and local governing body.

**All** staff are aware of their responsibility to provide a safe environment in which children can learn.

**All** staff are aware of indicators of abuse and neglect and understand that children can be at risk of harm inside and outside of the school/college, inside and outside of home and online. Staff are confident in exercising **professional curiosity** and understand that knowing what to look for is vital for the early identification of abuse and neglect to identify cases of children who may be in need of our help or protection. They are aware that abuse, neglect, and safeguarding issues are rarely standalone events that can be covered by one definition or label. In most cases, multiple issues will overlap with one another.

**All** staff, but especially the DSL/DDSL consider whether children are at risk of abuse or exploitation in situations outside their families. Extra-familial harms take a variety of different forms and children can be vulnerable to multiple harms including (but not limited to) sexual abuse (including harassment and exploitation), domestic abuse in their own intimate relationships (teenage relationship abuse), criminal exploitation, serious youth violence, county lines, and radicalisation.

**All** staff are aware that technology is a significant component in many safeguarding and wellbeing issues and that children are at risk of abuse and other risks online as well as face to face. They know that in many cases abuse and other risks will take place concurrently both online and offline. Children can also abuse other children online, this can take the form of abusive, harassing, and misogynistic/misandrist messages, the non-consensual sharing of indecent images, especially around chat

groups, and the sharing of abusive images and pornography, to those who do not want to receive such content.

**All** staff know what to do if a child tells them they are being abused, exploited, or neglected. Staff know how to maintain an appropriate level of confidentiality by only involving those who need to be involved, such as the DSL/DDSL and local authority children's social care. Staff never promise a child that they will not tell anyone about a report of abuse, as this may ultimately not be in the best interests of the child

**All** staff know how to reassure victims that they are being taken seriously and that they will be supported and kept safe. A victim should never be given the impression that they are creating a problem by reporting **any** form of abuse and/or neglect. Nor should a victim ever be made to feel ashamed for making a report.

**All** staff are aware of the early help process and understand their role in it and are confident to identify and support children who may benefit from early help, effectively giving children and their families the right help at the right time.

**All** staff are aware of how to make a referral to children's social care, especially section 17 (children in need) and section 47 (a child suffering, or likely to suffer, significant harm) that may follow a referral, along with their potential role in such assessments.

**All** staff understand their responsibility to report concerns about the behaviour of any adult in our school and know that they will be listened to and taken seriously.

**All** staff understand their responsibility to escalate concerns and 'press for reconsideration' if they believe a child's needs remain unmet or if the child is failing to thrive and in need or if the child is at risk of harm. In all cases, if our staff are unsure, they know that they should always speak to the DSL/DDSL.

## **5. Roles and Responsibilities of Designated Safeguarding Lead (DSL) and Deputy Designated Safeguarding Lead(s)(DDSL)**

For full details of the DSL/DDSL roles and responsibilities please refer to Part 2 & Annex C of [Keeping Children Safe in Education 2023](#).

Our DSL/DDSL(s) have received the appropriate safeguarding training to provide them with an understanding of their role and the knowledge and skills to carry it out. Our DDSL(s) are trained to the same level as the DSL. Training received also supports their knowledge of the processes, procedures, and responsibilities of other agencies, particularly children's social care in line with [Working Together to Safeguard Children 2023](#). This training is updated at least every 2 years and in addition to this they regularly (at least annually) refresh and update their knowledge and skills. The DSL is given **additional** time, funding, training, resources, and support needed to carry out the role effectively. This is achieved through the Education Safeguarding DSL Briefings, meeting with other DSLs (inclusive of JTMAT Safeguarding Leads) and reading statutory guidance.

Our DSL takes the **lead responsibility** for safeguarding and child protection (including online safety as well as an understanding of the expectations, applicable

roles and responsibilities in relation to the filtering and monitoring systems and processes in place), and this is explicit in their job description.

Guidance:

[Filtering and Monitoring Standards for Schools and Colleges](#)

As part of online safety, we are aware of our responsibility for information security and access management, and we will ensure that we have the appropriate level of security protection procedures in place in order to safeguard our systems, staff and learners and review the effectiveness of these procedures periodically to keep up with evolving cyber-crime technologies.

Guidance:

[Cyber Security Standards for Schools and Colleges](#)

[Cyber Security Training for School Staff](#)

During term time, the DSL/DDSL is available (during school hours) for staff in the school to discuss any safeguarding concerns. The DSL can delegate activities to the DDSL(s); however, the ultimate responsibility remains with them, and this lead responsibility is not delegated. In the absence of the DSL the DDSL(s) will take a lead on safeguarding with clear direction from the Senior Leadership Team.

The DSL acts as a source of support, advice, and expertise for staff. Risk assessments/safety plans will be completed as required and should, where appropriate, involve other agencies, these are reviewed regularly and shared appropriately.

Our DSL maintains robust systems to monitor and record training of **all** staff and update and refresher time scales are evident within the training record. Training is delivered in-line with StaffsSCB and KCSIE 2023. This will include bulletins, briefings, and inset day training as well as external events attended.

Staff training at Shobnall Primary & Nursery School takes place in many formats:

- Level 1 Safeguarding & Child Protection Training SSCB Core Slides
- Channel PREVENT Training
- Online Safety Video Presentation
- Staff Briefing Safeguarding Snippets
- SSCB Newsletters

A full record of staff training is maintained through a safeguarding training matrix and drop-ins and quizzes are used to assess staff confidence with their knowledge at regular intervals throughout the year.

The DSL ensures that **all** staff and regular visitors have appropriate safeguarding training to equip them for their role in school. This includes training on how to recognise indicators of concern, how to respond to a disclosure from a child and how to record and report this information accurately. The DSL ensures systems are in place to induct new staff/governors and that they are robust and monitored and any non-compliance shared with Senior Leadership Team/Local Governing Body.

The DSL monitors the MyConcern case management systems to record concerns about children, ensuring that the quality of information is accurate, proportionate, timely and assessment/referrals are made appropriately. The recording and storing of information are kept in-line with the [Data Protection Act 2018](#) and General Data Protection. The safeguarding and child protection records are kept in a secure location, away from academic records and there is a clear recording process of transfer, in or out, which if paper file transfer, using the transfer of records form which is signed by the sending and receiving settings and a copy of this form kept by both.

When a parent chooses to remove their child/ren from school to receive EHE (Elective Home Education), the DSL will pass on any safeguarding concerns and the safeguarding file if there is one, to the EHE Team within Staffordshire County Council and inform other professionals who may be involved with that child.

The DSL/DDSL monitors the quality of safeguarding files through auditing case files regularly. Appropriate and regular supervision takes place with the DSL and may be extended to other members of staff if we deem this appropriate. Wellbeing of all staff is supported through referral to specific support services, if necessary, and through 'chill and chat' sessions.

The DSL/DDSL will refer cases of suspected abuse to the local authority children's social care, as required, and support other staff to make these referrals. We understand the importance of attending case conferences and core group meetings as well as Child in Need meetings.

DSL will liaise with all staff (e.g., pastoral staff, school nurses, attendance staff, SEN staff and Mental Health Leads) on matters of safety and safeguarding and when deciding whether to make a referral by liaising with relevant agencies.

The DSL/DDSL will represent school at child protection conferences and core group meetings and will be the expert within our setting to support staff in liaising with other agencies, making assessments and any referrals. Any staff member may be required to be part of strategy discussions with other interagency meetings and contribute to the assessment of child/ren. The DSL/DDSL will notify children's social care if a child with a child protection plan is absent for more than two days without explanation.

The DSL/DDSL helps to promote educational outcomes by sharing appropriate information about the welfare, safeguarding and child protection issues that children (including children with or who have previously had a Social Worker) are experiencing, or have experienced, with teachers and school leadership staff. Their role could include ensuring that the schools and their staff, know who these children are, understand their academic progress and attainment and maintain a culture of high aspirations for this cohort; supporting teaching staff to identify the challenges that children in this group might face and the additional academic support and adjustments that they could make to best support these children.

The DSL has a good understanding of the community the school serves, the risks and its resilience. This is achieved by regular attendance at local DSL meetings.

## **6. Our Local Governing Body**

At Shobnall Primary & Nursery School our Local Governing Body have a strategic leadership responsibility for safeguarding arrangements, and they **must** ensure that we comply with our duties under legislation. They **must** have regard to this guidance in ensuring policies, procedures and training are effective and comply with the law at all times. See Part 2 [Keeping Children Safe in Education 2023](#). The Headteacher ensures that the policies and procedures, adopted by the governing bodies and proprietors (particularly those concerning referrals of cases of suspected abuse and neglect), are understood, and followed by all staff. These policies are transparent, clear, and easy to understand for staff, children and their parents/carers.

The Local Governing Body ensure that all staff, including governors and trustees receive appropriate safeguarding and child protection training (including online which, amongst other things, includes an understanding of the expectations, applicable roles and responsibilities in relation to filtering and monitoring) at induction. This training should be regularly updated and in line with any advice from the safeguarding partners.

This training will equip governors and trustees with the knowledge to provide strategic challenge to test and assure themselves that the safeguarding policies and procedures in place here are effective and support the delivery of a robust whole school approach to safeguarding and this training is regularly updated, at least on a termly basis.

In considering their responsibility to safeguard and promote the welfare of children and provide them with a safe environment in which to learn, our Governing Body will ensure that our school has appropriate filters and monitoring systems in place. They ensure that the leadership team and relevant staff have an awareness and understanding of the provisions in place and manage them effectively and know how to escalate concerns when identified.

The Local Governing body will review the following standards and discuss with IT staff and service providers what more needs to be done to support our setting in meeting this standard:

- identify and assign roles and responsibilities to manage filtering and monitoring systems;
- review filtering and monitoring provision at least annually;
- block harmful and inappropriate content without unreasonably impacting teaching and learning;
- have effective monitoring strategies in place that meet their safeguarding needs.

Guidance:

[Filtering and Monitoring Standards for Schools and Colleges](#)

The Local Governing Body are also aware of their responsibility to ensure that there is the appropriate level of security protection procedures are in place in order to safeguard systems, staff and learners and that there is the need to review the effectiveness of these procedures periodically to keep up with evolving cyber-crime technologies.

Guidance:

[Cyber Security Standards for Schools and Colleges](#)  
[Cyber Security Training for School Staff](#)

The Local Governing Body and proprietors are aware of their obligations under the [Human Rights Act 1998](#), the [Equality Act 2010](#), (including the [Technical Guidance on the Public Sector Equality Duty](#)), and their local multi-agency safeguarding arrangements. Further guidance is found in Pg 24-26 Para 82-93 [Keeping Children Safe in Education 2023](#) & [Equality Act 2010-Advice for schools](#).

The Local Governing Body facilitate a whole school approach to safeguarding involving everyone in school, ensuring that safeguarding is at the forefront and underpins all relevant aspects of process and document development. These systems, processes and policies operate with the **best interests** of our children at the heart of what we do.

The Local Governing Body has appointed the Designated Safeguarding Lead (DSL) who takes **lead responsibility** for safeguarding and child protection (including online safety which, amongst other things, includes an understanding of the expectations, applicable roles and responsibilities in relation to filtering and monitoring). This is explicit in their job description, and they ensure that the DSL understands their responsibility in leading safeguarding across the school. They also ensure that the DSL is given additional time, funding, training, resources, and support needed to carry out the role effectively. See Annex C [Keeping Children Safe in Education 2023](#).

The Local Governing Body has also identified a Deputy Designated Safeguarding Lead(s)(DDSL), who are trained to the same safeguarding standard as the DSL.

The Local Governing Body and proprietors ensure that children are taught about how to keep themselves and others safe, including online. It is recognised that effective education will be tailored to the specific needs and vulnerabilities of individual children, including children who are victims of abuse, and children with special educational needs or disabilities. There is an expectation that all teachers manage behaviour effectively to ensure a good and safe educational environment and requires teachers to have a clear understanding of the needs of all pupils.

The following is a resource: - [Teaching about relationships, sex and health](#) and there are more listed in Annex B KCSiE including [Harmful online challenges and online hoaxes](#).

The Local Governing Body will ensure compliance with the completion of the Section 175/157 Safeguarding audit return, via the Phew electronic system, to the Local Authority and that any areas of concern in safeguarding are identified and a safeguarding action plan is developed. Our school also completes a trust wide safeguarding audit however this audit compliments and does not replace the statutory return to the local safeguarding partnership.

They also ensure that the school contributes to inter-agency practice in line with [Working Together to Safeguard Children 2023](#).

The Local Governing Body ensure that those involved with the recruitment and employment of staff to work with children have received safer recruitment training and are compliant with safer recruitment procedures. This includes the requirement for appropriate checks to be carried out in line with national guidance. When candidates have been shortlisted, they will be made aware that online searches will be carried out. See Part 3 Safer Recruitment [Keeping Children Safe in Education 2023](#).

Our Trust have ensured that there is a current whistleblowing document and staff are aware of this document and understand its content. We have a culture where staff can raise concerns about poor or unsafe practice and such concerns are addressed professionally and sensitively in accordance with agreed whistleblowing procedures [JTMAT Whistleblowing Policy](#).

Further guidance on [whistleblowing](#) is available here and the NSPCC whistleblowing helpline is available for staff who do not feel able to raise concerns regarding safeguarding failures internally. Staff can call on 0800 028 0285 and the line is available from 8am to 8pm, Monday to Friday. Email: [help@nspcc.org.uk](mailto:help@nspcc.org.uk)

When the Local Governing Body or Proprietors hire/rent out school or college facilities/premises to organisations or individuals (e.g. community groups, sports associations, and service providers to run community or extra-curricular activities), they will ensure that appropriate arrangements are in place to keep children safe.

When services or activities are provided by the local governing body or proprietor, under the direct supervision or management of their school or college staff, their arrangements for child protection will apply. However, where services or activities are provided separately by another body, this is not necessarily the case.

The local governing body or proprietor will seek assurance that the provider concerned has appropriate safeguarding and child protection policies and procedures in place, including inspecting these as needed and ensure that there are arrangements in place for the provider to liaise with the school or college on these matters where appropriate.

The Local Governing Body will ensure that safeguarding requirements are included in any transfer of control agreement (i.e., lease or hire agreement), as a condition of use and occupation of the premises; and that failure to comply with this would lead to termination of the agreement.

Guidance

[Keeping Children Safe in Out-of-School Settings](#)

### **The Designated Teacher**

The Governing body have appointed a Designated Teacher (DT) who works with the local authority to promote the educational achievement of registered pupils in our setting, who are looked after. Our Designated Teacher works across the school to promote and improve educational outcomes for children in care using evidence-based interventions.

Our designated teachers also have responsibility for promoting the educational achievement of children who have left care through adoption, special guardianship, or child arrangement orders or who were adopted from state care, outside of England and Wales. They are appropriately trained and have the relevant qualifications and experience.

The Designated Teacher works closely with the Virtual School to provide the most appropriate support, utilising Pupil Premium Plus funding, to ensure that they meet the needs identified in the child's personal education plan (PEP). They work with the Virtual School Headteacher, to promote the educational achievement of previously looked after children.

### [Designated Teacher](#)

The Designated Teacher has the details of the Local Authority Personal Advisor who has been appointed to guide and support the care leaver and liaises as necessary regarding any issues of concern affecting the care leaver.

At Shobnall Primary & Nursery School we are attachment aware, and trauma informed and take a relational based approach to supporting our most vulnerable children and will work restoratively with children to improve their outcomes.

We are aware of the additional duties of the virtual school headteacher extended in June 2021, to include a non-statutory responsibility for the strategic oversight of the educational attendance, attainment, and progress of children with a social worker. We understand the role that we play in improving outcomes for children with a social worker.

### [Virtual Headteacher Role - Children with a Social Worker](#)

## **7. Working with Parents/Carers**

At Shobnall Primary & Nursery School we are committed to working in partnership with parents/carers to safeguard and promote the welfare of their children, and to support them to understand our statutory responsibilities in this area.

When new pupils join our school, parents/carers will be informed that we have a safeguarding document. A copy will be provided to parents on request and is available on the school website. Parents/carers will be informed of our legal duty to assist our safeguarding colleagues in other agencies with child protection enquiries and what happens should we have cause to make a referral to the relevant local authority or other agencies.

We respect parents' rights to privacy and confidentiality and will not share sensitive information unless we have permission, or if it is necessary to do so to safeguard a child from harm.

We will seek to share with parents/carers any concerns we may have about their child before making a referral, unless to do so may place a child at increased risk of harm. A lack of parental engagement or agreement regarding the concerns the

school has about a child will not prevent the DSL from making a referral to the local authority in those circumstances and where it is appropriate to do so.

To keep children safe and provide appropriate care for them, the school requires parents to provide accurate and up to date information regarding:

- Full names and contact details of all adults with whom the child normally lives.
- Full names and contact details of all persons with parental responsibility (if different from above).
- Emergency contact details (if different from above) and **at least 2 contacts.**
- Full details of any other adult authorised by the parent to collect the child from school (if different from the above).
- Any legal or criminal changes which effects parental responsibility e.g., bail conditions, court orders, Special Guardianship orders, Child arrangement orders etc

The school will retain this information on the pupil file. The school will only share information about pupils with adults who have parental responsibility for a pupil or where a parent has given permission and the school has been supplied with the adult's full details in writing.

We recognise that we are likely to be in regular contact with parents and carers. We will use these communications to reinforce the importance of children being safe online and parents/carers are likely to find it helpful to understand what systems schools use to filter and monitor online use. It will be especially important for parents/carers to be aware of what their children are being asked to do online, including the sites they will be asked to access and be clear who from the school (if anyone) their child is going to be interacting with online.

At Shobnall Primary & Nursery School we update parents about safeguarding through newsletters and the website.

## **8. A Safer School Culture**

### **Safer Recruitment and Selection**

At Shobnall Primary & Nursery School we pay full regard to 'Keeping Children Safe in Education 2023'. Our Safer Recruitment and selection practice includes scrutinising applicants, verifying identity, checking academic or vocational qualifications, obtaining professional and character references, checking previous employment history, and ensuring that a candidate has the health and physical capacity for the job. It also includes undertaking interviews and appropriate checks including criminal record checks (DBS checks), barred list checks, prohibition checks whether they are known to the police and/or social care, if they have been disqualified from providing childcare and any relevant overseas information. Evidence of these checks is recorded on our Safeguarding Training Overview and using an agreed template created by our Trust. This is checked on a half-termly

basis by the Link Governor for Safeguarding or the Designated Safeguarding Lead. These checks are recorded in the minutes to the Local Governing Body.

Staff who have lived or worked outside the UK **will** undergo the same checks as all other staff, even if they have never been to the UK. We will ensure that any other appropriate checks are carried out so that any relevant events that occurred outside the UK can be considered. These checks could include criminal records checks for overseas applicants and for teaching positions obtaining a letter (via the applicant) from the professional regulating authority in the country (or countries) in which the applicant has worked confirming that they have not imposed any sanctions or restrictions, and or that they are aware of any reason why they may be unsuitable to teach.

Guidance: [Application process for criminal records checks overseas](#)  
[Regulated professions database](#)  
[UK Centre for Professional Qualifications](#)

Separate barred list checks are only be carried out in the following circumstances:

- for newly appointed staff who are engaging in regulated activity, pending the receipt of an Enhanced Certificate with Barred List information from the Disclosure and Barring Service (DBS) (and where all other relevant checks as per paragraph 213 have been carried out); or,
- where an individual has worked in a post in a school or college that brought them into regular contact with children or young persons which ended not more than three months prior to that person's appointment to the organisation (and where all other relevant checks as above have been carried out).

All recruitment materials will include reference to the school's commitment to safeguarding and promoting the wellbeing of pupils. Relevant staff have undertaken appropriate training in Safer Recruitment (see training schedule at the front of this document).

One of the trained safer recruitment staff will be involved in **all** staff and volunteer recruitment processes and sit on the recruitment panel. A member(s) of the Local Governing Body has received Safer Recruitment training.

The Single Central Record (SCR) is maintained by the School Business Manager and is checked on a half-termly basis by either the Headteacher, Designated Safeguarding Lead or Safeguarding Link Governor using the JTMAT SCR Guidance document provided by HR in relation to the checking of the SCR.

## **Induction**

All staff will be made aware of the systems we have in place to support safeguarding. These are explained as part of staff induction including:

- The JTMAT Safeguarding Policy and Shobnall Primary & Nursery School's document outlining safeguarding protocol and procedures

- The JTMAT Behaviour Policy and Shobnall Primary & Nursery School's document outlining its protocol and procedures
- JTMAT Child on Child Abuse Policy and Shobnall Primary & Nursery School's document outlining protocol and procedures for child on child abuse
- The staff behaviour document (sometimes called a code of conduct).
- The safeguarding response to children who go missing from education
- The role of the DSL (including the identity of the DSL and any deputies)
- At least part one of KCSIE 2023

If staff, supply staff, visitors, volunteers, or parent helpers are working with children alone they will, wherever possible, be visible to other members of staff. They will be expected to inform another member of staff of their whereabouts in school, who they are with and for how long. Doors should have a clear glass panel in them and where possible be left open. No visitors, volunteers or parent helpers will be left unsupervised with children or out of sight of the teacher or member of staff in charge. It is the responsibility of the member of staff to ensure this is the case.

Guidance about acceptable conduct and safe practice will be given to all staff and volunteers during induction. These are sensible steps that every adult should take in their daily professional conduct with children. All staff and volunteers are expected to carry out their work in accordance with this guidance and will be made aware that failure to do so could lead to disciplinary action.

### **Use of reasonable force**

There are circumstances when it is appropriate for staff in school to use reasonable force to safeguard children and young people. The term 'reasonable force' covers the broad range of actions used by staff that involves a degree of physical contact to control or restrain children. This can range from guiding a child to safety by the arm, to more extreme circumstances such as breaking up a fight or where a young person needs to be restrained to prevent violence or injury.

'Reasonable' in these circumstances means 'using no more force than is needed'. The use of force may involve either passive physical contact, such as standing between pupils or blocking a pupil's path, or active physical contact such as leading a pupil by the arm out of the classroom. Departmental advice for schools is available [here](#).

When using reasonable force in response to risks presented by incidents involving children including any with SEN or disabilities, or with medical conditions, staff should consider the risks carefully.

By planning positive and proactive behaviour support, for instance by drawing up individual behaviour plans for more vulnerable children and agreeing them with parents and carers, we will reduce the occurrence of challenging behaviour and the need to use reasonable force.

## **9. Site Security**

At Shobnall Primary & Nursery School we provide a secure site which is controlled by precise management directives, but the site is only as secure as the people who use it. All people on our site must adhere to the rules which govern it. Laxity can cause potential problems with safeguarding, therefore:

- Gates are kept closed during the school day; visitors gain access through the main entrance.
- Visitors, volunteers, and students must only enter through the main entrance and after signing in at the office will be issued with a school lanyard or visitor's pass. School has a clear system of ensuring staff are accompanied/supervised by regulated staff member. Any visitor on site who is not identifiable by a visitor's pass will be challenged by any staff member and this will be reported to a member of the Senior Leadership Team.
- Parents, carers, and grandparents attending functions have access only through the designated and supervised entrances, with tickets for visitors for appropriate school events.
- Children will only be allowed home with adults with parental responsibility or confirmed permission.
- Empty classrooms should have closed windows and doors.
- Children should never be allowed to leave school alone during school hours unless collected by an adult such as a parent who is doing so for a valid reason. They should report to the office to do this.
- Two members of staff are always on duty at break times.
- A health and safety audit is completed annually with risk assessment/safety planning and forms part of the Governors annual report. This will include a fire evacuation.
- The risk management of site security is managed by the School Business Manager, and we have a clear system of risk assessments and review timescales of these.

## **Safeguarding Induction Sheet** *(for new or supply staff and regular visitors or volunteers)*

We all have a statutory duty to safeguard and promote the welfare of children, and at our school we take this responsibility seriously.

If you have any concerns about a child or young person in our school, you must share this information immediately with our Designated Safeguarding Lead, David Adams or Deputy Designated Safeguarding Leads, Paula Johnston / Tina Farrington.

Do not think that your worry is insignificant if it is about hygiene, appearance, or behaviour – we would rather you told us as we would rather know about something that appears small than miss a worrying situation.

If you think the matter is very serious and may be related to child protection, for example, physical, emotional, sexual abuse or neglect, you must find one of the Designated Safeguarding Leads and provide them with a written/electronic record of your concern. A copy of the form to complete is attached to this and others can be obtained from the safeguarding noticeboard in the staff room. Please ensure you complete all sections as described.

If you are unable to locate them, ask a member of the school office staff to find them and to ask them to speak with you immediately about a confidential and urgent matter.

Any allegation concerning a member of staff, a child's foster carer or a volunteer should be reported immediately to the Headteacher. If an allegation is made about the Headteacher, you should pass this information to the Chair of the Governing Body. Alternatively, you can contact the Local Authority Designated Officer on 0300 111 8007.

The people you should talk to in school are:

- Designated Safeguarding Lead: David Adams  
Location of office: Headteacher's Office  
Contact Number: 01283 247412
- Deputy Designated Safeguarding Lead: Paula Johnston  
Location of office: Year 5 Classroom  
Contact Number: 01283 247410
- Deputy Designated Safeguarding Lead: Tina Farrington  
Location of office: Inner Office  
Contact Number: 01283 247410
- Chair of Governing Body: Gary Dennis  
Contact Email: [g.dennis@lgb.shb.jtmat.co.uk](mailto:g.dennis@lgb.shb.jtmat.co.uk)

## **10. Specific Safeguarding Issues**

### **Child on child abuse (incl sexual violence and sexual harassment)**

**All** staff have the knowledge and awareness that children are capable of abusing other children (including online). All staff are clear about this school's document and procedure regarding child-on-child abuse. We have a separate child-on-child abuse document in addition to anti-bullying and behaviour procedures to guide, inform and support children, staff and parents/carers.

[JTMAT Policies](#)  
[Shobnall Primary & Nursery School Procedures](#)

Child-on-child abuse can occur, both physically and verbally, either online or face to face, between two children of **any** age and sex, with a single child or group of children and can happen both inside and outside of our setting. Children who are victims of this abuse, will find the experience stressful and distressing and it is likely to have an adverse effect their educational attainment. This type of abuse can exist on a continuum and may overlap, they can occur online and offline (both physical and verbal) and are never acceptable.

**All** staff at Shobnall Primary & Nursery School recognise the indicators and signs of child-on-child abuse and know how to identify it and respond to reports of it. They understand the importance of the **timely** challenge of inappropriate behaviours between peers, many listed below, that are abusive in nature. They are aware of the importance of: -

- Making clear that child-on-child abuse including sexual violence and sexual harassment, is never acceptable and that that we have a zero-tolerance approach.
- Not dismissing this abuse as “banter”, “part of growing up”, “just having a laugh” or “boys being boys”; and
- Challenging behaviours (potentially criminal in nature), such as physical and sexual assaults e.g. grabbing bottoms, breasts, and genitalia, flicking bras and the lifting up of skirts.

**All** staff know that if we do not challenge and support our children that this will lead to a **culture** of unacceptable behaviours, an unsafe environment for children and in worst case scenarios a culture that normalises abuse leading to children accepting it as normal and not coming forward to report it.

We know that the initial response to a report from a child is vitally important. We do not want to miss that opportunity and so we reassure victims that their reports are being taken seriously and that they will be supported and kept safe. We never give victims the impression that they are creating a problem by reporting sexual violence or sexual harassment. We reassure victims that they should not feel ashamed for making a report.

**We have well promoted and easily understood systems in place so that our children feel confident to knowing their concerns will be treated seriously.**

Child on child abuse may occur in our education setting, on the way to or from our setting or out in the community. Consideration will be given to many aspects of the abuse and here are a few examples:

- Does it involve a single incident or has occurred over time?
- Is the behaviour problematic and concerning?
- Does it involve any overt elements of victimisation or discrimination, e.g. related to race, gender, sexual orientation, physical, emotional, or intellectual vulnerability?
- Is there any element of coercion or pre-planning?
- Does it involve a power imbalance between the child/children allegedly responsible for the behaviour and the child/children allegedly the subject of that power?
- Has there been a misuse of power?

It is also important that we:

- ascertain if there were there any witnesses to the abuse
- make notes and record ALL conversations with children spoken to as well as parents/carers/other professionals, including any actions taken
- treat all children involved as being at potential risk - while the child allegedly responsible for the abuse may pose a significant risk of harm to other children, s/he may also have considerable unmet needs and be at risk of harm themselves
- ensure that a safeguarding response is in place for both victim and alleged perpetrator

Consideration should also be given to supporting children who have witnessed child on child abuse of any kind. This is likely to be traumatic and support may be required. We will signpost to agencies and support services available where needed.

We will do all that we can to ensure both the victim and alleged perpetrator, and any witnesses, are not being bullied or harassed following this. Social media is likely to play a part in the fall out from any incident and friends from either side could well harass the victim or alleged perpetrator online as well as face to face. Any evidence we have of students using social media or inappropriately will be sanctioned according to our existing policies.

**All** victims are reassured that they are being taken seriously, regardless of how long it has taken them to come forward, and that they will be supported and kept safe. Abuse that occurs online or outside of the school or college will not be downplayed and will be treated equally seriously. A victim should never be given the impression that they are creating a problem by reporting sexual violence or sexual harassment. Nor should a victim ever be made to feel ashamed for making a report. We will ensure that children know that the law is in place to protect them rather than criminalise them, and we will be explained in such a way that avoids alarming or distressing them.

Staff are aware of the groups that are potentially more at risk as evidence shows that girls, children with SEND and LGBT children are at greater risk. The DfE states 'child on child abuse should be taken as seriously as abuse by adults and should be subject to the same child protection procedures.'

Victims of child on child abuse will be supported by the school's pastoral system and referred to specialist agencies if appropriate. Risk assessment and/or safety planning are an integral part of this support plan, particularly regarding the post incident management.

**All** staff understand, that even if there are no reports in our setting, this does not mean that it is not happening, it may be the case that it is just not being reported. As such it is important that if staff at Shobnall Primary & Nursery School have any concerns regarding child on child abuse, they speak to their Designated Safeguarding Lead (DSL) or deputy (DDSL). Our staff will not develop high thresholds before acting.

Child on child abuse is most likely to include, but may not be limited to:

- bullying (including cyberbullying, prejudice-based and discriminatory bullying).
- abuse in intimate personal relationships between peers.
- physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm (this may include an online element which facilitates, threatens and/or encourages physical abuse).
- sexual violence such as rape, assault by penetration and sexual assault and may include an online element which facilitates, threatens and/or encourages sexual violence. Causing someone to engage in sexual activity without consent, such as forcing someone to strip, touch themselves sexually, or to engage in sexual activity with a third party.
- sexual harassment such as sexual comments, remarks about clothes and/or appearance, jokes, taunting and online sexual harassment. This also includes the telling of sexual stories, making lewd comments and calling someone sexual names and physical behaviour, such as: deliberately brushing against someone, interfering with someone's clothes, and displaying pictures, photos or drawings of a sexual nature; and online sexual harassment.
- causing someone to engage in sexual activity without consent, such as forcing someone to strip, touch themselves sexually, or to engage in sexual activity with a third party.
- consensual and non-consensual sharing of nudes and semi-nude images and or videos (also known as sexting or youth produced sexual imagery) Consensual image sharing, especially between older children of the same age, may require a different response. It might not be abusive – but children still need to know it is illegal- whilst non-consensual is illegal and abusive.
- upskirting, which typically involves taking a picture under a person's clothing without their permission, with the intention of viewing their genitals or buttocks to obtain sexual gratification, or cause the victim humiliation, distress, or alarm; and

- initiation/hazing type violence and rituals (this could include activities involving harassment, abuse or humiliation used as a way of initiating a person into a group and may also include an online element).

All staff are aware of the importance of understanding intra familial harms and any necessary support for siblings following incidents.

**All staff are** clear as to the school's or college's document and procedures with regards to child-on-child abuse and the important role they play in preventing it and responding where they believe a child may be at risk from it.

If staff have a concern about a child or a child makes a report to them, they will follow the safeguarding referral process. As in any case, if staff are in any doubt as to what to do, they should speak to the DSL/DDSL. Our behaviour document will support any sanctions.

The DfE states child on child abuse should be taken as seriously as abuse by adults and should be subject to the same child protection procedures.

## **Children Missing Education**

**All** professionals working with children, as well as the wider community can help by remaining vigilant to children's safety. The law states every child should be receiving an education, and we stand a better chance of ensuring a child's safety if we know where and how they are receiving this. The Education and Inspections Act 2006 places a duty on local authorities in England and Wales to make arrangements to identify children and young people of compulsory school age missing education in their area; we work closely to ensure we put appropriate safeguarding responses in place for children who go missing from education.

[JTMAT Policies](#)

[Shobnall Primary & Nursery School Procedures](#)

A child going missing, particularly repeatedly, can be a vital warning sign of a range of safeguarding risks, including abuse and neglect, which may include sexual abuse or exploitation; child criminal exploitation; mental health problems; substance abuse and other issues. Early intervention is necessary to identify the existence of any

underlying safeguarding risk and to help prevent the risks of them going missing in future.

Our school holds **at least 2** emergency contact numbers for each pupil. If a child goes missing from our school and we are unable to locate them, we will inform parents/carers and we will also contact the Police to report them missing. This will ensure that the Police and other partners have a true picture of missing episodes, which are indicators of risk for some children.

The school will notify the Local Authority of any pupil/student who fails to attend school regularly after making reasonable enquiries or has been absent without the school's permission for a continuous period of 10 days or more. The school (regardless of designation) will also notify the Local Authority of any pupil/student who is to be deleted from the admission register because s/he:

- Has been taken out of school by their parents and is being educated outside the school system (e.g. elective home education).
- Has ceased to attend school and no longer lives within a reasonable distance of the school at which s/he is registered (moved within the city, within the country or moved abroad but failed to notify the school of the change).
- Displaced because of a crisis e.g. domestic violence or homelessness.
- Has been certified by the school medical officer as unlikely to be in a fit state of health to attend school before ceasing to be of compulsory school age, and neither s/he nor his/her parent has indicated the intention to continue to attend the school after ceasing to be of compulsory school age;
- Is in custody for a period of more than four months due to a final court order and the proprietor does not reasonably believe that s/he will return to the school at the end of that period; or
- Has been permanently excluded.

Our school will demonstrate that we have taken reasonable enquiries to ascertain the whereabouts of children that would be considered [‘missing’](#)

### **Children who are Absent from Education**

Children being absent from education for prolonged periods and/or on repeated occasions can act as a vital warning sign to a range of safeguarding issues, including neglect, child sexual and child criminal exploitation - particularly county lines. It is important the school or college's response to persistently absent pupils and children missing education supports identifying such abuse, and in the case of absent pupils, helps prevent the risk of them becoming a child missing education in the future.

This includes when problems are first emerging but also where children are already known to local authority children's social care and need a social worker (such as a child who is a child in need or who has a child protection plan, or is a looked after child), where being absent from education may increase known safeguarding risks within the family or in the community.

Further information and support, includes:

- [Working Together to Improve School Attendance](#) including information on how schools should work with local authority children's services where school absence indicates safeguarding concerns.
- Information regarding schools' duties regarding children missing education, including information schools must provide to the local authority when removing a child from the school roll at standard and non-standard transition points, can be found in the department's statutory guidance: [Children Missing Education](#).
- Further information for colleges providing education for a child of compulsory school age can be found in: [Full-time enrolment of 14 to 16-year-olds in further education and sixth-form colleges](#)
- General information and advice for schools and colleges can be found in the Government's [Missing Children and Adults strategy](#).

### **Child Missing from Home or Care**

There are strong links between children involved in criminal and sexual exploitation and other behaviours such as running away from home, care or school, bullying, self-harm, teenage pregnancy, truancy, and substance misuse.

In addition, some children are particularly vulnerable, for example, children with special needs, those in residential or foster care, those leaving care, migrant children, particularly those who are unaccompanied, those forced into marriage, those involved in gangs and unaccompanied asylum-seeking children.

Most children who go missing are not in care and go missing from their family home. However, children who are looked after are much more likely to run away than those who live at home, and over 50% of young people in care have run away at some point.

Guidance document

- [Children who run away or go missing from home or care](#)

### **Child Sexual Exploitation (CSE) and Child Criminal Exploitation (CCE).**

Both CSE and CCE are forms of abuse that occur where an individual or group takes advantage of an imbalance in power to coerce, manipulate or deceive a child into taking part in sexual or criminal activity, in exchange for something the victim needs or wants, and/or for the financial advantage or increased status of the perpetrator or facilitator and/or through violence or the threat of violence.

CSE and CCE can affect children, both male and female and can include children who have been moved (commonly referred to as trafficking) for the purpose of exploitation.

### **Child Criminal Exploitation (CCE)**

Some specific forms of CCE can include children being forced or manipulated into transporting drugs or money through county lines, working in cannabis factories, shoplifting, or pickpocketing. They can also be forced or manipulated into committing vehicle crime or threatening/committing serious violence to others.

Children can become trapped by this type of exploitation as perpetrators can threaten victims (and their families) with violence or entrap and coerce them into debt. They may be coerced into carrying weapons such as knives or begin to carry a knife for a sense of protection from harm, from others. As children involved in criminal exploitation often commit crimes themselves, their vulnerability as victims is not always recognised by adults and professionals, (particularly older children), and they are not treated as victims despite the harm they have experienced. They may still have been criminally exploited even if the activity appears to be something they have agreed or consented to.

It is important to note that the experience of girls who are criminally exploited can be very different to that of boys. The indicators may not be the same, however professionals should be aware that girls are at risk of criminal exploitation too. It is also important to note that both boys and girls being criminally exploited may be at higher risk of sexual exploitation.

Some of the following can be indicators of CCE:

- children who appear with unexplained gifts or new possessions.
- children who associate with other young people involved in exploitation.
- children who suffer from changes in emotional well-being.
- children who misuse drugs and alcohol.
- children who go missing for periods of time or regularly come home late.
- children who regularly miss school or education or do not take part in education.

Guidance documents:

- [Safeguarding children who may have been trafficked](#)
- [Child Exploitation - StaffsSCB](#)

### **Child Sexual Exploitation (CSE)**

CSE is a form of child sexual abuse. Sexual abuse may involve physical contact, including assault by penetration (for example, rape or oral sex) or nonpenetrative acts such as masturbation, kissing, rubbing, and touching outside clothing. It may include non-contact activities, such as involving children in the production of sexual images, forcing children to look at sexual images or watch sexual activities, encouraging children to behave in sexually inappropriate ways or grooming a child in preparation for abuse including via the internet.

CSE can occur over time or be a one-off occurrence and may happen without the child's immediate knowledge e.g., through others sharing videos or images of them on social media.

CSE can affect any child, who has been coerced into engaging in sexual activities. This includes 16- and 17-year-olds who can legally consent to have sex. Some children may not realise they are being exploited e.g. they believe they are in a genuine romantic relationship.

The above CCE indicators can also be signs of CSE, as can having older boyfriends or girlfriends and/or suffering from sexually transmitted infections/becoming pregnant.

Guidance documents:

- [Child Sexual Exploitation Definition & Guidance](#)
- [Know about CSE](#)

## **Domestic Abuse**

Any incident or pattern of incidents of controlling, coercive or threatening behaviour, violence, or abuse between those aged 16 or over who are or have been intimate partners or family members regardless of gender or sexuality. This can encompass but is not limited to the following types of abuse:

- Psychological
- Physical
- Sexual
- Financial
- Emotional

Children can be victims of domestic abuse. They may see, hear, or experience the effects of abuse at home and/or suffer domestic abuse in their own intimate relationships (teenage relationship abuse) Exposure to domestic abuse and/or violence can have a serious, long lasting emotional and psychological impact on children. In some cases, a child may blame themselves for the abuse or may have had to leave the family home as a result. Domestic abuse affecting young people, can also occur within their personal relationships, as well as in the context of their home life. We will signpost and support our children/ young people.

We are an Operation Encompass school and act appropriately when we receive an alert to support the children in our school.

Guidance Documents:

- [Domestic Violence and Abuse](#)
- [Domestic Abuse-Staffsch](#)
- [NSPCC-Domestic Abuse](#)
- Operation Encompass Helpline 0204 513 9990 (8am-1pm Mon-Fri)

## **Mental Health**

**All** staff have an important role to play in supporting the mental health and wellbeing of our pupils and **are** aware that mental health problems can, in some cases, be an indicator that a child has suffered or is at risk of suffering abuse, neglect or exploitation. We have clear systems and processes in place for identifying possible mental health problems, including routes to escalate and clear referral and accountability systems. Details can be found on our dedicated school website page:

## Shobnall Primary & Nursery School Mental Health and Wellbeing

Only appropriately trained professionals will attempt to make a diagnosis of a mental health problem. Education staff, however, are well placed to **observe** children day-to-day and identify those whose behaviour suggests that they may be experiencing a mental health problem or be at risk of developing one.

Where children have suffered abuse and neglect, or other potentially traumatic Adverse Childhood Experiences (ACE), this can have a lasting impact throughout childhood, adolescence and into adulthood. It is key that staff are aware of how these children's experiences, can impact on their mental health, behaviour, and education.

Guidance and helpful documents: -

- [Addressing Trauma and Adversity](#)
- [Mental Health and Behaviour in Schools Guidance.](#)
- [Preventing and tackling bullying](#)
- [PHE Rise Above for Schools programme.](#)
- [Every Interaction Matters](#)

- [NSPCC-Mental Health and Parenting](#)
- [SSCB-Children & Young People who Self Harm or Disclose an Intent to Die by Suicide](#)
- Staffordshire County Council Resource Bank (sent out at least annually)

If staff have a mental health concern about a child that is also a safeguarding concern, immediate action should be taken, following their child protection document, and by speaking to the designated safeguarding lead or a deputy.

### **Online Safety**

The use of technology has become a significant component of many safeguarding issues. Child Criminal Exploitation, Child Sexual Exploitation, radicalisation, sextortion, sexual predation, and technology often provides the platform that facilitates harm.

At Shobnall Primary & Nursery School we realise that it is essential for our children to be safeguarded from potentially harmful and inappropriate online material. We have an effective whole school/college approach to online safety which empowers us to protect and educate pupils, students, and staff in their use of technology and establishes mechanisms for us to identify, intervene in, and escalate any concerns where appropriate.

The breadth of issues classified within online safety is considerable, but can be categorised into four areas of risk:

- **Content:** being exposed to illegal, inappropriate, or harmful content, for example: pornography, fake news, racism, misogyny, self-harm, suicide, anti-Semitism, radicalisation, and extremism.

- **Contact:** being subjected to harmful online interaction with other users; for example: peer to peer pressure, commercial advertising and adults posing as children or young adults with the intention to groom or exploit them for sexual, criminal, financial or other purposes.
- **Conduct:** personal online behaviour that increases the likelihood of, or causes, harm; for example, making, sending and receiving explicit images (e.g. consensual and non-consensual sharing of nudes and semi-nudes and/or pornography, sharing other explicit images and online bullying; and
- **Commerce:** risks such as online gambling, inappropriate advertising, phishing and or financial scams. If you feel your pupils, students or staff are at risk, please report it to the Anti-Phishing Working Group (<https://apwg.org/>).

We ensure that online safety is a running and interrelated theme whilst devising and implementing policies and procedures. We consider online safety in other relevant policies, when planning curriculum, teacher training, the role and responsibilities of the DSL and parental engagement. We have appropriate filtering and monitoring systems in place on school devices and school networks, and these are regulated, and risk assessed as part of the prevent duty.

Our filtering and monitoring standards will

- identify and assign roles and responsibilities to manage filtering and monitoring systems.
- review filtering and monitoring provision at least annually.
- block harmful and inappropriate content without unreasonably impacting teaching and learning.
- have effective monitoring strategies in place that meet their safeguarding needs

The Local Governing Body will review the standards and discuss with IT staff and service providers what more needs to be done to support schools and colleges in meeting this standard.

We have an [online safety document](#) which identifies the usage and expected behaviour of children/students. As a school we appreciate the value of technology and that appropriate filters are in place, yet this does not lead to unreasonable restrictions which would limit online teaching and safeguarding. This document also contains information on:

- the effective approach to online safety we have in our setting
- the systems we use
- how we protect and educate the whole school or college community in their use of technology and establish mechanisms to identify, intervene in, and escalate any incident where appropriate
- how we ensure that online safety is a running and interrelated theme whilst devising and implementing policies and procedures
- links to other policies where online safety is considered i.e. Staff Code of Conduct/Behaviour/Use of mobile and smart technology etc.
- curriculum planning/RHSE/off timetable days
- engaging parents - information evenings/newsletter/social media

- how we carry out an annual review of our approach to online safety through the 360safe diagnostic tool, supported by an annual risk assessment that considers and reflects the risks our children face.
- How we ensure we have the appropriate level of security protection procedures in place in order to safeguard our systems, staff and learners and review the effectiveness of these procedures periodically to keep up with evolving cyber-crime technologies. Guidance on e-security is available from the National Education Network. In addition, we meet the Cyber security standards for schools and colleges.GOV.UK. Broader guidance on cyber security including considerations for governors and trustees can be found at Cyber security training for school staff - NCSC.GOV.UK.

Education at home/Remote learning: Where children are being asked to learn online at home, our school will refer to and use the links and resources provided by the DfE; Safeguarding in schools, colleges and other providers and safeguarding in remote education.

## **Prevent Duty and Channel**

### **Prevent**

The school governors, the Head Teacher/Principal and the DSL will assess the level of risk within the school and put actions in place to reduce that risk. Risk assessment may include consideration of the school's RE curriculum, SEND document, Assembly Document, the use of school premises by external agencies, integration of students by gender and SEN, anti-bullying document and other issues specific to the school's profile, community and philosophy.

All schools are subject to a duty to have "due regard to the need to prevent people being drawn into terrorism" (section 26, Counter Terrorism and Security Act 2015). This is known as The Prevent Duty and is part of our schools wider safeguarding obligations.

Designated safeguarding leads and other senior leaders familiarise themselves with the revised Prevent duty guidance: for England and Wales, especially paragraphs 57-76, which are specifically concerned with schools (and covers childcare). We follow the guidance in terms of four general themes: risk assessment, working in partnership, staff training, and IT policies.

Our school has a Prevent Single Point of Contact (SPOC) who is the lead within the organisation for safeguarding in relation to protecting individuals from radicalisation and involvement in terrorism: this will normally be the DSL.

The SPOC for our school is David Adams.

Our school will monitor online activity within the school to ensure that inappropriate sites are not accessed by students or staff. This is best done using specialist online monitoring software, which in this school is called Securus.

## **Channel**

Channel is a multi-agency approach to provide support to individuals who are at risk of being drawn into terrorist related activity. It is led by the Staffordshire Police Counter-Terrorism Unit, and it aims to:

- Establish an effective multi-agency referral and intervention process to identify vulnerable individuals.
- Safeguard individuals who might be vulnerable to being radicalised, so that they are not at risk of being drawn into terrorist-related activity; and
- Provide early intervention to protect and divert people away from the risks they face and reduce vulnerability.
- The Channel programme focuses on providing support at an early stage to people who are identified as being vulnerable to being drawn into terrorism. It provides a mechanism for schools to make referrals if they are concerned that an individual might be vulnerable to radicalisation. An individual's participation in the programme is entirely voluntary at all stages.
- Schools have a duty to cooperate with the Channel programme in the carrying out of its functions, and with the Police in providing information about an individual who is referred to Channel (Section 38, Counter Terrorism and Security Act 2015).
