March 2024.

Over the past two weeks the children have been learning about spring and have been looking for signs of spring.

For home learning this week we would like the children to go on a spring hunt around their garden or go on a walk with the family. We have included a spring scavenger hunt sheet for you to complete. We wonder who will be able to tick off all nine boxes?

Bonus points for any different signs of spring found!

Have fun!

Have a lovely weekend.

Many thanks,

Mrs Lukman
