What a busy week we have had in Nursery, completing lots of learning based on the story of 'What the Ladybird heard'. We also watched the animated read along story and we had a great time joining in with all the different animal sounds.

For home learning this week, we would like you to continue to with the farm concept and would like you to explore the animals that live on a farm. For home learning this week, I would like to you to play a game with your child and to take it in turns to make animal sounds of the animals that live on a farm. Who will guess the most animal sounds correctly?

Have fun!

Have a lovely weekend.

Many thanks,

Mrs Lukman
