

PERSONAL DEVELOPMENT OVERVIEW

The curriculum we provide at Shobnall Primary & Nursery School extends beyond the academic. We actively support our pupils to develop in many diverse aspects of life. Through our extensive offer, we teach pupils how to build their confidence and resilience, prepare the children for their adult lives by teaching them to understand how to engage with society and providing them with plentiful opportunities to do so. How we do this in our school is outlined below.

SUBJECT	EYFS	YEAR 1	YEAR 2	YEAR 3	YEAR 4	YEAR 5	YEAR 6	
PHSE/RSE	For further information on how the curriculum contributes to pupils' personal development, please see our <u>PSHE Programme of Study, including statutory Relationships and Health Education</u> .

PUPIL PARLIAMENT	Pupil Parliament helps the children to learn about democracy and British Values, as they all vote for their class representatives. The elected pupils represent the school, talk about learning and about things they would like to improve. Each pupil who is elected to the Pupil Parliament makes a promise to adhere to our School Charter. Each group is made up of representatives from each class from Reception to Year 6. Our Pupil Parliament consists of: School Council, Anti-Bullying Ambassadors, Safeguarding Advocates, Eco Warriors, Happiness Heroes and Reading Ambassadors. For further information on our Pupil Parliament and the work they do, please see our dedicated website page.								
EXTRA-CURRICULAR CLUBS	Shobnall Primary & Nursery School offers a variety of extra-curricular clubs in the Autumn Term (1st Half), Spring Term (2nd Half) and Summer Term (1st Half). For a link to the latest letter informing parents about the range of different extra-curricular clubs on offer click here.
