Please complete
homework by
Wednesday 15th May
2024.

This week in Nursery, the children had a wonderful visit from the dentist. They have enjoyed learning about how to look after our teeth and took part in a variety of activities.

For home learning this week, I would like you to scribe your child's comments that they make about looking after their teeth and what cleaning advice they should give to the members of the Bright Shine Academy.

The sheet for you to scribe on, will be found in your child's book bag. I have attached a picture below of the sheets that your child has gone home with.

Could you please bring your completed 'Tooth Guardian colouring sheets' with your child's comments on into Nursery so that the children can share their work with the class.

Thank you for the continued support!

Many thanks,

Mrs Lukman
