March 2024

I would like to congratulate you, your staff and your pupils on the very high standard of achievement demonstrated in the reading, writing and mathematics key stage 2 assessments last year.

Your school's results, as published on 14 December, show that 93 per cent of your pupils reached or exceeded the expected standard in reading, writing and mathematics at the end of key stage 2. This means that for achievement in reading, writing and mathematics, Shobnall Primary & Nursery School is in the top 1 per cent of primary schools in the country.

The government wants to ensure that every child has the fluency in reading, writing and mathematics necessary to prepare them for a successful secondary education and beyond, which is why I was delighted to see your results.

Thank you for your work in continuing the drive towards higher academic standards, and congratulations again to you and your staff for your commitment and success.

With best wishes.

Yours sincerely,

Damian Hinds

Dear Mr Adams,

I have just read about Shobnall Primary & Nursery School's "Outstanding" Ofsted report and I wanted to write to congratulate you all.

This well-deserved report is certainly a glowing testimony to the unique collaboration between teachers, staff, students and parents.

I have a very happy memory of visiting the school last year. I am not surprised that the Inspectors were so impressed with the happiness of the children and the geniality and enthusiasm of everyone involved in the skilful running of the school.

Congratulations once again, I hope you manage to mark this fantastic achievement with a well-earned celebration.

Hopefully, I will be invited to make a return visit to Shobnall Primary and Nursery School soon.

Well done everyone, keep up the good work.

Kind regards

Dear Mr Adams

I am writing to say how pleased I am that Shobnall Primary & Nursery School has received an outstanding judgement following its most recent Ofsted inspection.

The inspection framework sets a high bar for being judged outstanding, which makes it a challenging and exacting standard to achieve. I would therefore like to commend you and your team on your exceptional work. I hope that you and your whole school community are very proud.

I wish you every success in the months and years ahead.

With very best wishes.

Yours sincerely
