# homework

I am very excited to invite the children to join in with a writing competition titled 'Awesome Animals.'

Your child can choose any animal to write about and create either an acrostic poem or a riddle. They will even have the chance to see their work published in a book.

Your child has brought home a template to complete either an acrostic poem or a riddle.

Please return to school by Wednesday 26<sup>th</sup> June. Please also send comments or photos via Class Dojo- messages.

Many thanks and have a fabulous weekend,

Miss Alexander
