

I am going to Shobnall Primary & Nursery School

I can't wait!

Hello! My name is Miss Alexander and I will be your class teacher when you join the Reception Class in September.

You will also meet Mrs Lukman, our Nursery teacher who also works in the EYFS.

When you come to school in the morning you will wait outside these black gates, until a member of staff opens them up and welcomes you in.

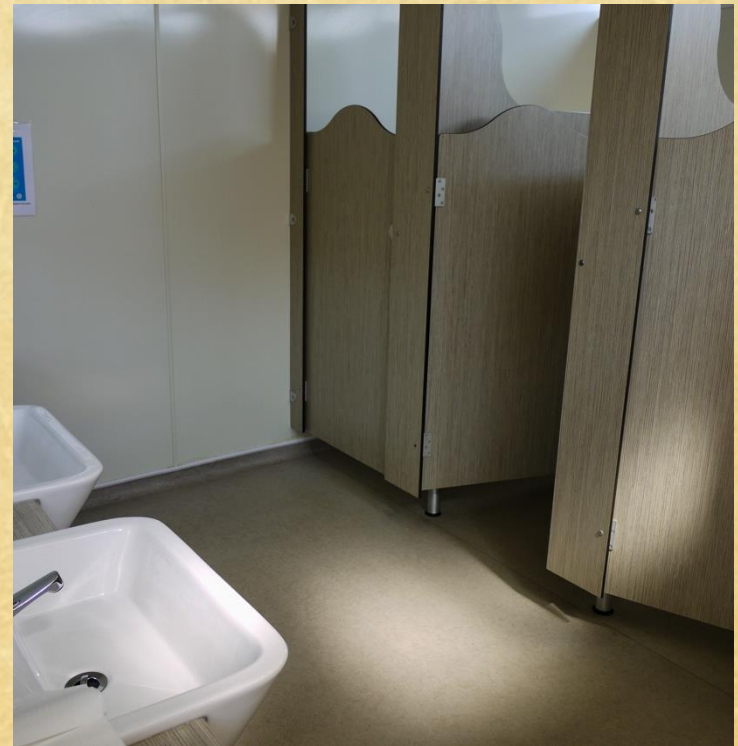

This is the door to the Reception Classroom.

**This is the cloakroom
where you hang your
coat.**

**These are the toilets
that you will use.**

**When you arrive, you place your water bottle
on top of the unit.**

**At the end of the day, you take it home to get it
cleaned and refilled, ready for the next day.**

This is our class Reading Area we call it, 'The Story Snug.'

Every morning you choose a book to take home. When you have read it, your grown-up helper will write it in your very own reading diary.

Your book bag and reading diary go into these boxes.

You will be given a special reading certificate each half term, depending on the number of times you read your books at home each week.

When you come into the classroom each morning you will self-register. You will find your name and attach it onto our class 10 frames.

We have a wonderful classroom to have exciting learning adventures in...

Our minibeast carpet gives you all a special place to sit when we gather together during the day. We call this, 'The Carpet Kingdom'

This is our lovely outdoor learning area. You will get to play here every day.

**This is our school hall. We use this for P.E,
watching assemblies and special events and we
eat our lunch here.
We collect our lunch from the serving hatch.**

After lunch you get to play on the big Key Stage 1 playground. One of our lunchtime supervisors will look after you.

Shobnall Primary &
Nursery School is lots
of fun!

We both live in the
Reception Class we
can't wait to meet you.
Look out for us when
you get here!
See you soon...

Dear Parents and Carers,

At Shobnall Primary & Nursery School, we want children to enjoy starting school and we understand the need to support them with this new experience. Through discussing this booklet with your child regularly, they will gain a much clearer view of what will happen at school. This will help to minimise any anxieties that they may have. Talking to your child about starting school in a positive way will also help them to be confident about it themselves.

Thank you for your support.

The EYFS Team

Transition Booklet for Reception Pupils.

The End.
