

Friday 27<sup>th</sup> September 2024

This week we have been exploring different types of homes and discussing our local area.

To reinforce this, I would like the children to go on a locality walk. Please encourage your child to point out different types of homes (house, flats, bungalows, caravan, houseboat) as well as the different features such as, windows, doors, front gardens.

You can also explore some of your child's favourite places to visit within our local area e.g. Shobnall Park, Meadowside Leisure Centre, Conkers etc.

You do not need to send any work into school however, please upload images of the different homes and local places that you spot and make comments about your child's engagement and responses to the activity.

Many thanks and have a great weekend,  
Miss Alexander
