

Throughout our setting we encourage a love of reading through sharing books in numerous ways. In reception this includes our story snug, story time, weekly focus books, themed days and activities linked to stories.

To encourage this, I would like your child to choose one of their favourite stories and find an unusual place to share it. This could be at the park on a swing, sitting on the car, under a table, at soft play etc. Please take a photograph of them and upload this to Class Dojo messages (I will be sharing more information about Class Dojo next Tuesday at the meet the teacher meeting.)

I can't wait to find out what your child's favourite book is and to see where they chose to share it!

Many thanks and have a great weekend!
Miss Alexander
