

The children have enjoyed sharing their favourite books and had fun seeing all the unusual places their friends chose to read.

Next week we will be exploring families. In preparation for this and prompt discussion I would like the children to create a representation to show their immediate family members (pets included!)

This could be a drawing, painting, collage, construction model, handprints, junk model- please be as creative as you wish!

I would like the children to bring their completed work into school to share and to create part of a display linked to our current theme 'Home Sweet Home.'

Please use ClassDojo messages to make comments about your child's engagement with the activity and include photographs.

Many thanks and have a great weekend,
Miss Alexander
