

Year 4 Homework - 25.10.24

Homework

English

For their homework this week, I would like the children to complete a Halloween themed reading comprehension worksheet. Please read through the text carefully and answer the questions below.

A big well done for all of your effort and support for the first half term. Have a lovely break and I will see you when we get back!

Year 4 Multiplication Check

In June 2025, all children in Year 4 will have a multiplication check which will take place in school to test their knowledge of times tables up to 12×12 . The pupils will have 25 questions but only six seconds to answer each question, therefore it is very important the children learn each times table thoroughly.

In order to prepare for this, children are learning a times table each week for homework but they also need to recap on old times tables too. Please encourage your child to practise using the link below which is an example of how the test will actually look.

Reading

Reading diaries are currently on their way and are due to be delivered to school at the end of the month so we will pass these onto the children when we receive them. In the meantime, please keep reading as normal. Thank you!

Homework is due to be handed in on a Wednesday.
