SAFEGUARDING ADVOCATES SECRETARY OF STATE: MR ADAMS

Monday 11th October 2024

MINUTES

Agenda

WELCOME

SAFEGUARDING POLICY

ACTION PLAN

Notes

Mr Adams congratulated all newly elected Safeguarding Advocates and the children introduced themselves. Photos will be taken by Miss Brewin for the Pupil Parliament display board and for the school website.

The children reviewed the Child-Friendly Safeguarding Policy and agreed some minor changes to the content. They recognised the importance of having our own child-friendly policy to be read as a guide to the main policy.

ACTION: Mr Adams to communicate the changes to children in assembly and display on the children's safeguarding noticeboard in the school hall.

The children discussed ideas for objectives and activities to be included on their action plan for this academic year. These included:

- Thinking of ideas to raise the profile of safeguarding when participating in NSPCC Number Day.
- Completing a questionnaire/audit with the children to identify areas for improvement around safeguarding/ideas for future safeguarding developments.
- Lead an assembly on safeguarding with the help of Mr Adams.
- Think of ideas for Safer Internet Day.
- Think of ideas for topics for future MHST workshops.

ACTION: Create an action plan to share and finalise at the next meeting.
