## **STATEMENT OF INTENT**

Shobnall Primary & Nursery School recognises that its premises are valuable to the local community and as such, we are pleased to let the premises out to organisations within the local community.

We aim to:

- Make sure the school's premises and facilities can be used, where appropriate, to support community or commercial organisations.
- Allow the hiring of the premises without using the school's delegated budget to subsidise this.
- Charge for the use of the premises to cover the costs of hire and, where appropriate, raise additional funds for the school.
- Not let any hiring out of the premises interfere with the school's primary purpose of providing education to its pupils.
- Hire out facilities in a way that is safe, following government guidelines and the school's risk assessment(s).

Though we let the premises out, the school is aware that this can pose certain concerns, such as in terms of safeguarding, so this policy is to be distributed to all organisations that wish to let the premises and the conditions outlined within it must be followed at all times.

There is also important information that this policy communicates to organisations who let the premises from the school, such as health and safety matters and insurance arrangements.

## 1. LEGAL FRAMEWORK

- This policy has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:
  - The School Premises (England) Regulations 2012
  - Health and Safety at Work etc. Act 1974

  - Child Protection and Safeguarding
  - Letting School Premises Risk Assessment
  - Manual Handling
  - Asbestos Management
  - Data Protection

## 2. DEFINITIONS

- For the purpose of this policy, a “**letting**” is defined as any use of the premises by either a community group, e.g. a football club, or a commercial organisation.
  
- The school will let out its premises; however, the letting arrangement will not interfere with the primary activity of the school, which is to provide a high-quality education and safe teaching environment.
  
- Use of the premises for activities such as staff meetings, parents' meetings, governing board meetings, out of school hours learning support activities or any other extended services which support the raising of attainment and achievement, fall within the corporate life of the school. Costs arising from these uses are, therefore, a legitimate charge against the school's delegated budget.
  
- When letting to commercial businesses, the school will first seek the permission of their LA. Depending on certain conditions, the LA may recommend the school

inform the DfE of the letting, e.g. if the letting was during school time. The contact information for the DfE is: [schoolsassets.capital@education.gov.uk](mailto:schoolsassets.capital@education.gov.uk).
