

Year 4 - Extended Homework Project

Ancient Egypt

For your extended homework this year, you have a choice of creative projects. You have until Monday May 19th to complete the project and hand it in. I would like to give you the opportunity to present your projects to the class but I understand if you would rather not.

Please choose one from the list below:

- Model of the Egyptian Pyramids
- Pharaoh's Tomb
- Information text about Howard Carter
- Hieroglyphics and their history
- The mummification process
- Comparing Egypt from the past to the present
- Famous Egyptian artefacts
- PowerPoint about Egyptian clothing.

Please use this opportunity to be as creative as you would like to be and let us know if you have any questions.

Have a lovely Easter break and thank you for your continued hard work!

Mr B
