

Year 4 Homework - 23.5.25

Homework

Multiplication check practise

For their homework this week, I would like the children to practise their timetables. The multiplication check will be opening when we return after the holiday. It is extremely important that the children continue to practise their timetables over the holiday in preparation for this.

I have also given a script to the children for their lines for the class assembly at the end of June for the children to learn.

Times tables

Your child will be given a times table to learn every week. Each child will start with $\times 2$. The children will be given 1 minute every Friday to answer the times tables in a test. Please support your child by learning these at home.

This week my score was _____/12.

Year 4 Multiplication Check

In June 2025, all children in Year 4 will have a multiplication check which will take place in school to test their knowledge of times tables up to 12×12 . The pupils will have 25 questions but only six seconds to answer each question, therefore it is very important the children learn each times table thoroughly.

In order to prepare for this, children are learning a times table each week for homework but they also need to recap on old times tables too. Please encourage your child to practise using the link below which is an example of how the test will actually look.

Spellings

This week my score was _____/10

Please learn the spellings provided in your reading diary.

Reading

Reading diaries are currently on their way and are due to be delivered to school at the end of the month so we will pass these onto the children when we receive them. In the meantime, please keep reading as normal. Thank you!

Homework is due to be handed in on a Wednesday.
